Neighbors work on Barnes Park cleanup

by Loretta Tappan

Three Garfield Neighborhood Association members--Linda Wilk, Jan Bowen and Michael McAlister--worked with City of Marion Building Inspector Jerry Foustnight, Street Department Director James Loftis and the street team to relocate a large jungle gym to Barnes Park, located at West Sixth and South E Streets, from the idle go-kart race track on Sears Rd. and E. Third St.

Before installing the structure, Wilk, a longtime neighborhood resident of the district and director of Hands of Hope, said today's focus is making preparations for the install by marking the land where the structure will stand, and then when ready, they will add concrete

to the metal pipes of the frame and holes in the ground.

With the soon-to-be-installed playground equipment, they will add two benches and spring toys from the old go-karts race track, and a Little Free Library. Marissa Wilk and her father Larry Wilk built the library as part of a 4-H project.

Linda Wilk also coordinated with Main Street Marion and obtained seven pieces of black fencing and a gate, previously intended for the Third Street Courtyard, but never used. The plan is to create a natural barrier using the fencing at each corner of the park and adding vegetation near the streets and

Jerry Foustnight, James Loftis, and Larry McKee, Sr, work on moving a playground to Barnes Park.

General Cable puts Marion expansion on 'pause'

by Loretta Tappan

The planned 30,000-squarefoot expansion of General Cable's Marion facility has been placed on hold for the time being, according to a company spokesman.

Near the end of 2016, the Marion plant, a 745,000-square-foot facility, announced goals to expand by adding another 30,000 square feet to manufacture aluminum rods for fine wire opposed to buying the pre-manufactured rods from suppliers, which would make the Marion plant a major supplier of the rods for plants across the country.

Work for the \$18 million expansion started mid-2017 and in-

cluded the acquisition of property at 422 E. Fourth St. and the installation a new rail spur on the tracks east of McClure St. The company also started working with Marion Utilities on the construction of 850 to 1,000 feet of a stormwater sewer line just east of Shunk St. along Fourth St. and a retention pond in the greenspace just west of the Marion Armory.

"At this time, we have several projects underway across the company, and we have chosen to pause our Marion Rod Mill project due to timing and resources," said Charlie Schicht, external communications manager for General Cable, "In terms of when we might

decide to pick this project back up again, it's too early to tell, but we will continue to monitor the environment each quarter."

The expansion project is still considered an important part of the company's long-term plan, Schicht said.

General Cable announced last month that the company is reviewing strategic alternatives to maximize shareholder value, which includes the potential sale of the company. According to business-wire.com, the company has engaged J.P. Morgan Securities LLC as financial advisor and Sullivan & Cromwell LLP as legal advisor to assist in the process.

The wire and cable industry in Marion dates back to 1903 with the Marion Insulated Wire and Rubber

FREE CONCERT IN MATTER PARK

ndiana native and national pop-rock singer/songwriter Jon McLaughlin will perform a free show in Marion as part of the City's Concerts in the Gardens music series. The performance will take place on August 31 in the Gardens of Matter Park from 7-9pm.

McLaughlin attended Highland High School in Anderson, and then attended college at Anderson University while performing, writing, and touring. He has worked with artists such as Sara Bareilles, Demi Lovato, Need to Breathe, and many others. He has shared the stage with Adele, One Republic, Bon Jovi, and Billy Joel.

Patrons may bring lawn chairs, coolers of food/drinks & other picnic items, however, food & beverages will be available for purchase. This is a free event.

counseling

What have you learned lately?

the question given out by Dr. Blake Neff, professor at Indiana Wesleyan University, to our Wednesday morning men's group at IHOP. By the way, men, you are invited to come and join us every Wednesday morning at 7:30. Now, back to the subject at hand: what have I been learning? As life keeps right on ticking, we must realize that it is a process, a time to learn. As we accumulate facts and knowledge, we must put these things into motion. Our journey should always be to become a greater influence today than we were yesterday.

Are you doing this? School students all over the community are getting on school buses that take them to local schools with the anticipation of learning. This is what the teachers have in mind, but not always the students. There are some students that are like sponges, taking in everything they can. Others are there for the social hour. A few don't want to be there, but law enforces it. Pray for the teachers and the

As I walked away from that meeting, I had come to a clear understanding of where I am in my life. I realize today that I have absolutely nothing to offer.

should be learning, I think

of the Apostle Paul. Paul reminds the Corinthian believers that he became all things to all men that he might win some. What did Paul mean? If we want to appeal to others, we need to know all we can about them. In other words, "It's not all about me." Some of the most rewarding time I spend is listening to the stories that others tell of their lives and their likes. I that meeting, I had come seriously believe that, if we would take the time to get to know others, we could easily understand

me to thinking: What have I learned recently? I never shared publicly with the men what I have been learning because I needed to listen to their voices. I never go to a Wednesday morning meeting that I don't learn something.

As I walked away from

to a clear understanding of where I am in my life. I realize today that I have absolutely nothing to offer. Compared to God, I am nothing; however, He has much to offer. Ten years from now nobody will remember my words, but they will remember God's. John the Baptist

I must decrease." My words, my philosophy, my dreams and opinions mean nothing. We all have our own mindsets, but it is what God says that is life changing and

I would encourage you

transforming.

to take a few minutes today and evaluate your life. Take inventory of what you have learned and what you are learning today. Life would truly be boring if everything went smoothly every day. It takes the hard times, the valley experiences, to help us appreciate what we truly have. I can say I understand and am learning that each day is a gift from God. David said in the Psalms, "Show me thy ways, O Lord, teach me thy paths." That might be our prayer today. If you believe, He will hear. One thing for sure that I have learned—He loves me!

Boots, Brews and Books' for area kids

by Loretta Tappan

The Marion Chapter of ety recently organized its third annual fundraiser for Turn the Page, a fund created to provide Title One preschool students in Grant County with 12 books each year.

Bad Dad Brewery, located in Fairmount, hosted 23 attendees for the cause and provided flatbread pizza and a flight of up to four feature brews. The event raised \$10,395, includthrough the United Way of Grant County and \$5,000 from the Dollar General Distribution Center in Marion. Dawn Brown, director of the Community Foundation of

Grant County, reached out to

the local Dollar General after

national emphasis on literacy. "The company has provided free books and reading activities to approximately 400,000 children across our nation," said Shelly Jones, president of the Woman's Life Marion

Brown said the local distribution center was receptive to the Turn the Page program as a way to promote literacy and give back to the community they work in.

Each attendee gave \$40 to take part in the fundraising event, themed "Boots, Brews, and Books," and Woman's Life matched those funds up turn.

This year, 360 preschoolers Woman's Life Insurance Socibenefit from Turn the Page, an increase from previous years, 240 students in year one and 330 in the second year. The Marion Little Giants free preschool operates out of 17 classrooms in Grant County.

"The Turn the Page fund has been phenomenal in helping us educate our families on how to read books with their children. We kind of take for granted that we know what to do when ing \$4,000 from a mini grant we sit down with a child and a book," said Kerri Wortinger, the preschool director of Marion Little Giants. "Every month we have family Friday, where we come in and showcase the books. We talk about the book. We go on a picture walk. Some of our families are not readers, reading about the company's but if they hear my teachers or myself read the book, they can recall that when they sit down and read it with their child."

Wortinger added, "It gives me goosebumps when I see a child, the first time they get a book, they say with wide-eyes, 'I get to take this home!' Because they are not used to being able to keep something and Turn the Page provides that for us, so thank you from the bottom of my heart for giving them their first library."

Donations are accepted to the Turn the Page fund year round. To donate and learn more, visit givetogrant.org/

Are we still the cultural norm of the nation?

previous life, my duty was to drive an out-of-towner, a guest speaker from the East, back to the airport; a person for whom anything beyond 111th street in New York was the untamed

Indians, Eagles and Argylls all fall

Giants beat Marauders

The Marion Giants were 10 plus penalties for the second week in a row. Their 'Juice' Johnson completed only four passes on the eve- ter, Johnson also showed his ning. They played careless turnovers, including three interceptions from Johnson.

And yet, the Marion Giants, for the second week in a row, won the football

On the back of a strong defensive effort, including three "pick-sixes," the Marion Giants defeated the Mt. Vernon Marauders 40-16 on

"Early on the season, I've been telling the defense that they were going to have to carry us until we get the offense together," Head Coach, Craig Chambers, said. "Sometimes it takes the and get going, and we have a new group coming together. working at it."

game, however, it seemed clicking on all cylinders.

On the first play of the ble reverse with JK Thomas, who took the ball 65 yards into Marauders' red zone. and scored two plays later

started getting ugly.

On their next possession, Johnson was sacked in the end zone for a safety. The next possession, he threw an interception to end another Giants' drive.

However, while the Giants' offense struggled, their defense helped to bail them

With the Marauders driving, Montreal Poge came away with the Giants' second interception of the contest to give the ball back to the offense.

On the first play after the turnover, Johnson called his own number and scampered the waning seconds of the are going to be okay."

After Johnson's touchdown run, the Giants' took control and helped put the game out of reach for the Marauders.

Early in the second quardefensive acumen, coming up with the Giants' third interception of the evening and taking it 70 yards to the house to increase the Giants'

Travis Metzger kept the pick-six party going later in the second quarter, stepping front of another poorly thrown Marauder pass to give the Giants a 26-2 half-

Braden Burk got in on the action as well late in the third quarter, scoring the Giants' third pick-six of the evening to increase the Giants' lead to 33-2. After the Marauders

scored two quick touchdowns on two possessions to make it a 17-point game early in the fourth quarter, the Giants' offense, which had struggled for most of the second half, put together a methodical drive. Using an effective running game, the Giants were able to eat away at the clock and, most importantly, score an insurance touchdown to give them an

insurmountable lead.

In summary, it wasn't the prettiest game, and it was far from perfect. They committed too many penalties, and turned the ball over too many times, but in the end, the Giants were able to come away with the victory.

"The defense played at a high level, and special teams did real well--we just need to make sure to get better on both sides of the ball," Chambers said after the win. "We are a good ball club, but we are struggling a little bit [in those areas offensively]. We just have to go through and fix that, work on the small things, and then work on execution.

"Once we got the offense together and we get some 55 yards to the end zone in camaraderie with them, we

The Eastbrook Panthers piled on the points for the second week in a row, improving their record to 2-0 on the young season with a 49-6 win over the Huntington North Vi-

After taking a 14-0 lead into halftime, Eastbrook's offense exploded for five second-half touchdowns to put the game out of reach for the Vikings.

Coach Jeff Adamson could not be reached for comment and stats were not readily made available.

Madison-Grant

It looks like it's going to be a long season for the Madison-Grant Argylls.

One week after losing big to the Tipton Blue Devils, the Argylls were blown out again by a score of 71-0 at the hands of the Eastern Comets.

In the first two weeks of the season, the Argylls have been outscored 143-0.

Coach Kyle Booher could not be reached for comment and stats were not readily made available.

Mississinewa

Coming off an excellent effort against Lapel last weekend, the Mississinewa Indians faced, arguably, their toughest opponent of the season in the New Haven Bulldogs.

The Indians gave it their all from beginning to end, but despite a valiant effort, Mississinewa was unable to hold the Bulldogs in the final seconds in an eventual 36-32 loss.

Even in the tough defeat, Funk was proud of how his team played against a tough opponent. "My number one goal for

the team Friday night was for us to show tremendous effort and toughness, and our kids showed that all night," Curt Funk, said. "Unfortunately for us, we fell short at the end. We had a lot of guys who played a lot of minutes on Friday night. It was a very physical game, and at the end, we just didn't have enough gas in the tank."

After New Haven scored a touchdown on their opening possession and after a slow start on offense, the Indians finally found their rhythm, as man Skeens, scored from five of the third to take an 18-16 lead over Mississinewa, setyards out to get the Indians on the board. Later in the first quarter the

Indians took the lead of the game after quarterback Cade lead back on a one-yard sneak McCoin found wide receiver Hunter Smalley for a 10-yard an 11-yard touchdown pass. touchdown pass on fourth down. PUBLIC NOTICE OF ADOPTION OF ORDINANCE RESTRICTING TRUCK TRAFFIC ON COUNTY ROAD 600 EAST

Notice is hereby given that an ordinance relating to amending the Ordinance Restricting Truck Traffic on County Road 600 East was adopted at a duly held regular meeting of the Board of Commissioners of Grant County, Indiana, held on August 21, 2017. The ordinance will be effective 14 days after its publication herein, and the full text of he ordinance is set out below:

An Ordinance Restricting Truck Traffic on County Road 600 East Between where Grant County Maintenance begins on County Road 600 East and County Road 700 North

WHEREAS, Indiana Code 9-21-1-1 et seq. and associated Indiana statutes authorize local authorities to restrict and prohibit the use of its highways and the operation of trucks and other commercial vehicles thereon and further authorizes imposing limitations as to the veight and size of the vehicles operated thereon; and

WHEREAS, Indiana Code 9-21-1-3(8) and Indiana Code 9-21-4-7 authorizes the County to restrict the use of County Highways by certain vehicles; and

WHEREAS, Indiana Code 9-21-4-3 authorizes the County to place and maintain traffic control devices upon highways under its jurisdiction which are necessary to indicate and to carry out local traffic ordinances or to regulate, warn or guide traffic; and

WHEREAS, The Board of Commissioners of the County of Grant has determined that it is necessary for safety and maintenance purposes to restrict Truck traffic on certain County Roads or portions thereof as repeated use of Truck traffic on certain streets will cause serious damage to such streets; and

NOW, THEREFORE, be it ordained by The Board of Commissioners of the County of Grant, that:

- Purpose. The purpose of this Ordinance is to designate County Road 600 East between where Grant County Maintenance begins on County Road 600 East and County Road 700 North as a No Trucks Thoroughfare pursuant to the powers vested in The Board of Commissioners of the County of Grant under Indiana Code 9-21-1-2, Indiana Code 9-21-1-3(8) and Indiana Code 9-21-4-7(11). A further purpose of this Ordinance is to authorize the erection of official traffic control devices necessary to carry out the intent of this ordinance and to establish a civil penalty for violation of the terms hereof
- Definitions. Truck means every vehicle that is designed, used or maintained primarily for the transportation of property, except a pick-up truck or a van designed to carry loads no more than one (1) ton or a truck registered as a farm vehicle
- Exemptions. No person operating a Truck shall be permitted to operate such vehicle on County Road 600 East between where Grant County Maintenance begins on County Road 600 East and County Road 700 North at any time unless the use of such a road is required and necessary and cannot be avoided in making a local delivery, sale or pick up of property to be transported on a Truck in the normal course of business and such use is made by utilizing the shortest point of access from the nearest authorized truck route or
- Erection of Official Traffic Control Devices. The Grant County Highway Department is hereby authorized and directed to place traffic control signs designating County Road 600 East between where Grant County Maintenance begins on County Road 600 East and County Road 700 North as a No Trucks Thorough control signs and the placement thereof shall comply with and shall follow the Indiana Manual on Uniform Traffic Control Devices.
- 5. Penalty for Violation. A person who disregards the above designated county roads or portions thereof, as No Trucks Thoroughfares and who operates a Truck on such a road for purposes other than making a local delivery, sale or pick-up violates this ordinance and commits a Class C infraction pursuant to Indiana Code 9-21-4-19 and a judgment of up to five hundred dollars (\$500.00) may be entered for such a violation plus costs pursuant to Indiana Code 34-28-5-4.
- 6. Deposit of Fines into General Fund. All fines assessed and collected for a violation of this ordinance shall be deposited into the County General Fund.
- 7. Signs. The Grant County Highway Department shall mark said roadway as restricted in accordance with this Ordinance by placement of the appropriate signs. The Board of Commissioners of the County of Huntington has authorized the Grant County Highway Department to place a sign for this ordinance at SR 218 and County Road 600 E in Huntington County.
- 8. Effect. This Ordinance shall be in full force and effect upon passage and publication in accordance with law

Giants run unbeaten streak to seven

Coming off of the North Miami Invitational, Head Coach Kelly Arnold was looking for more consistent play from her team in each and every game.

Despite the final score, the Panthers put forward a much better effort in a threeset loss to the South Adams Starfires on Tuesday night. "They played so much better [tonight] then they did [last] weekend," Arnold said. "They had a lot more fight, [and] they had a lot more energy all around. I was really happy with how they played. They gave South Adams a run for their money in the first set. We came out ready to play, [and I think] that shocked them a little bit.

"[Even in the loss,] they played really well together as a team tonight.'

The Panthers' strong play against the Starfires carried over into Thursday's matchup with the Taylor Titans, as the Panthers were able to come away with a three-set sweep and achieve their third win of the season.

"I think they had lot of energy and a lot of excitement [last night,]" Arnold said. "They were ready for a win, so they put it all out there. Taylor isn't as tough as some of the other teams we have been playing, so [I knew] that if we played the way we played against South Adams and Adams Central, [we would have a good chance of getting the win. It was a great victory, and we are all [really] excited about it."

When asked who stood out in the victory over the Titans, Arnold said that there wasn't one single player that played better than another, rather, it was Eastbrook's play as a team that spurred them to

"It was a [total] team effort," Arnold said. "Walters played all around the [floor] and filled that role well. Altum hit the ball hard, tipped the ball when she needed too, and played smart. Our middle hitters were utilized a little more last night, which was really good to see."

Eastbrook will continue their season on Tuesday, August 29, as they will travel to Fairmount for a matchup with Grant County rival

Madison-Grant

In a three-day span for the Madison-Grant Argylls the team played three matches against Muncie Central, Taylor, and Tipton, finishing with a 2-1 record.

Against Muncie Central on Tuesday night, the Argylls jumped out to a 2-1 set advantage and were in a position to beat the Bearcats for the first time since Head Coach Robert Holloway started putting them on the schedule seven seasons ago.

"We've had some really good teams in the past, but we have never been able to get over the hump against

Muncie Central," Holloway said. "After winning two of the first three sets, I mentioned to them that they [had the opportunity] to do something [that we haven't done before.] We have had teams that have won sectionals and regionals and have been No. 1 in the state, but have never

beaten Muncie Central." Unfortunately, it was not meant to be for Madison-Grant, as the Argylls dropped the final two sets to lose the match 3-2.

"I felt like we had a lot of momentum going into the fourth set, but we didn't serve quite as well and had a lot of hitting errors, [and] in the last set, we did not play well," Holloway said. "We had a lot of hitting errors right at the beginning and never really recovered. It was frustrating and difficult because we had an opportunity to beat them. We felt like we probably should have won, but we just couldn't get

it done." The Aroylls bounce-back effort against the Taylor Titans on Wednesday, sweeping them in three sets. The Titans have struggled for several seasons, so Holloway used the opportunity against a weaker opponent to give the younger players some playing time.

"Our kids were pretty relaxed throughout the match, and we got the opportunity to play a lot of young players to get them [some experience] on the varsity level," Holloway said. Against the Blue Devils of

Tipton the following day, the Argylls used strong passing and serving throughout the match on their way to their

second straight three-set

"Tipton was 24-10 last year, so we knew we were going to have to play well,' Holloway said. "Our passing, particularly serve reception, was pretty good, some of the best we've ever had."

Maddi Evans and Lexi Crouse had another great week for the Argylls, playing strong volleyball both offensively and defensively, while Sloane Stewart continues to work back from her knee in-

"Kokomo is a team that never gives up," Gearhart said. "It will be a good fight and a good match. [I] want the girls to stay focused and continue to do what we have asked them to do--serve aggressively, make sure passes are getting to the setter so we can run our offensive sets, and make sure hitters are hitting their spots. When our girls are on the same page, we are pretty good."

Throughout the early part of the season, the Indians have relied on steady team play rather than the efforts of one individual player. It proved true once again on Vednesday night, as the Indians put forward another strong team effort in a four set win over the Northfield Norsemen.

"Overall, our passing tonight put us in a good position," Coach Hope Coons said after the win. "Northfield's defense was very consistent, so finding ways to put the ball down and finding wavs to score was a key for us [throughout the match.]"

Halle Planck led the Indians with 14 kills, while Erika Foy finished with 13. Kenzie Skeens recorded a remarkable 47 assists, while Foy, Madison Stanley, and Emily Taylor finished with six digs

show for their efforts."

After a week off due to a schedule change, the Oak Hill Golden Eagles picked up right where they left off, playing sound soccer on both sides of the ball in a 6-0 win over the Blackford Bruins on Wednesday evening.

Coach Katelyn Durrawachter was pleased with her team's crisp passes, the way they went after the ball, and their superb communication throughout the game. "Our offense focused on always providing two options to the ball and thinking two passes ahead," Durrwachter said. "We've been working on it in practice, and the girls really put their practice into play this evening. We also won most of the 50/50 balls and communicated non-stop this evening.

"It was exciting to see off our defense and supplied those three areas of our game improve for every

JB gets excited about the Giants

o you feel it?
There is a
new feeling
about sports at
Marion High School.

The Giants just played in front of their largest football crowd in years, and are getting prepared this week for the big showdown in the North Central Conference (NCC) with arch-rival Kokomo, the NCC lidlifter for both teams on Friday.

If you haven't stopped by the newly renovated Dick Lootens Football Stadium, you need to. What the administative team at MHS has done to that 40-year-old structure is amazing. Mark Fauser and Mike Quinn have put up a Hall of Fame of sorts on the southeast end of the stadium to honor Giant teams past.

It includes the new pennants saluting the two Marion state championship football teams. You heard me right, the two Marion Giant state champion football teams, from 1902 and 1969. It also soon will have all the championships won by the football Giants, along with the boys and girls track teams and the boys and girls cross country teams.

Now I haven't even mentioned the press box. Long the worst press box The Giants just played in front of their largest football crowd in years, and are getting prepared this week for the big showdown in the North Central Conference (NCC) with arch-rival Kokomo, the NCC lid-lifter for both teams on Friday.

in the NCC (just ask any member of the media), the Giants' press box for football is now the best in the NCC. It has been totally remodeled and drew rave reviews from everyone who worked in it last week.

Now all of this would be nice, but if the football team wasn't winning it would make no difference.

In just over a year Coach Craig Chambers has the Marion football Giants at 7-5 and right now a major contender to win the NCC and go deep into the IHSAA football playoffs.

Throw in an unbeaten girls volleyball team, a top-ten-ranked boys
