Chamber holds annual dinner, gives awards

The Marion-Grant County Chamber of Commerce presented awards to several local community members at its annual dinner last at Gunner's Grill at Meshingomesia.

The Chamber presented its Young Professional of the Year award to Adrienne Rines for her dedication to organizations such as Boys and Girls Club of Grant County, Circles of Grant County, Marion North Rotary, and her career with Kiley, Harker & Certain. The award is given to a young person who has chosen to put down roots and make his or her home in Grant County. It is meant to recognize a person who has gone above and beyond the scope of their profession to be an integrated part of the local community.

The Chamber also recognizes

one of its own ambassadors each year. The ambassadors promote the Chamber in the community by welcoming new members, encouraging current members to maximize their membership, and being positive liaisons. The 2017 recipient is Georgette Miller of Via Credit Union.

The outgoing chairman of the Chamber also chooses an individual for the Chairman's Award—an individual who is loyal and dedicated service to the Chamber. Outgoing Chairman Dave Abernathy chose Jim Widner, longtime MutualBank senior vice president, to be the 2017 recipient.

The Chamber presented the ATHENA Award to Janet Blake. The award is given on the basis

Leading Men Who Cook event draws hundreds, raises \$20K

Lead, Inc. sponsored its fourth annual Leading Men Who Cook event at the Roseburg Center last Saturday, with 32 chefs and more than 200 attendees.

"It was packed," said Tim Harris, head of the organization, "It was by far the biggest crowd we've had."

The chefs cooked their dishes and attendees "voted" for their favorites by putting money in the chefs' tip jars and also donated online. The money the chefs raised—approximately \$7,000—went to charities of their own choosing.

Champion Chef Jason Ford of Harvester Federal Credit Union,

raised money for hurricane relief in Puerto Rico.

Other winners included Kyle Strohman (Favorite Dish); Steve Quaderer (Second Place Chef Tipping); Troy Middleton (Best Side Dish); Rick Berbereia (Best Appetizer); Brett Carey (Second Best Main Dish); Jim Allbaugh (Teen Choice Award); Rob Wilson (Third Place Chef Tipping); Bart Bruehler (Best Dessert); and Isaac Horner (Best Main Dish).

Lead, Inc. will use the remaining \$13,000 raised to support its programming, specifically its youth leadership program Yes Network for eighth to tenth graders

Reggie Lipscomb: God is still in the miracle-working business

Behind the Scenes features personal stories from people who work in important but often unrecognized roles in our community.—Ed.

Reginald “Reggie” Lipscomb is a voice of strength and inspiration for those struggling with addiction, and he challenges everyone to rethink our notions of an addict.

Lipscomb serves as a probation officer and case manager with the Grant County Drug Court and works with an average of 30 people at a time, out of an estimated 55 in the system, through a five-phase holistic program with motivational interviewing and cognitive restructuring. The plan includes a set of competencies to achieve to move from phase one through phase five.

“We look at the physical, the mental, the emotional and the spiritual well-being as well as education and the addiction,” Lipscomb said.

He works to destigmatize what it means to be an addict and find what is best for the addict in recovery.

“The person with the problem is typically the person with the best answer. We allow them to learn how to make choices and decisions that will be positive for them,” said Lipscomb.

Lipscomb, also a motivational speaker, holds a strong presence because of his pas-

be a resonating voice in the transition and recovery community. He is driven to reach anyone in need of hope and offer support, serving on the Grant County Minority Advisory Board, president of the Grace House board, and a member of St. Paul Missionary Baptist Church.

“We’re not just about the stopping the use of drugs and alcohol. We’re about changing lives,” said Lipscomb.

The needs in our community also continue to change, and he recognizes a demand for housing for women and children in our community stating the closest service to Grace House, for women here, is the Open Heart Women’s Shelter through the Grant County Rescue Mission.

Born in Gadsden, AL, his family moved to Muncie, IN when Lipscomb was seven. He graduated from Muncie Southside High School and attended Florida A&M University.

In his personal time, Lipscomb enjoys bowling and rummaging with his wife of 16 years, Mondell Ann Lipscomb. He also reads, plays chess, and watches movies. Among his favorite movie titles is 28 Days starring Sandra Bullock.

“I refer to it a lot. As a matter of fact, a couple of times I’ve given it as an assignment. It takes place at a treatment center, and it focuses on relationships.”

When possible, he also soaks up time with his family of nine children, 25 grandchildren, and two great-grandchildren.

The Bible will keep you from sin, and sin will keep you from the Bible

As a young person I probably fit into the category of many others: I didn't like to read. This was a part of my life that was never nurtured. I only read what I had to, and it was not enjoyable. Looking back on my childhood, there are lots of things I wish I had applied myself to. I remember the transformation in my life when I trusted Christ as my Lord and Savior on September 14, 1975.

As I started this new journey, I was blessed to have a Pastor who said "Stay in the Book" (The Bible). The Holy Spirit really compelled me to read my Bible and showed me the importance of it. The only problem was, I was still a poor reader. Needless to say, that, after all these years, the Lord has really helped me. In those early days it was rough. I was a slow reader with no comprehension at all, but I was determined! I knew if I was ever to do anything for God, I would have to learn His Word.

I am not sure how many

times I have read through the Bible over the course of my Christian life, but reading has become a very important part of my life as a Pastor. I have learned many things that have helped me along the way. There is great power in God's Word, and it is there to help us.

As a new believer, I heard others talk about a "favorite verse" or a "life verse." God gave me one years ago, and it has always stayed with me. It says everything I would like to be. "For Ezra had prepared his heart to seek that law of the Lord, and to do it, and in Israel, to teach statutes and ordinances." (Ezra 7:10) Ezra was the first Old Testament biblical interpreter, changing the Hebrew and Chaldean languages into Aramaic. This verse has always been a challenge to me because of how God moved through Ezra's life. There are several points to ponder:

JUST A THOUGHT
Rev. Tom Mansbarger

1. "Ezra prepared his heart"—it seems that all of us are in a continual process of preparation. Making out schedules, planning vacations, starting our next new diet, or our New Year's resolution. We should all plan, but it needs to be a matter of the heart. Scripture tells us "Daniel purposed in his heart." God is looking for a commitment that will last more than a day or two. He wants our heart.

2. "Seeker"—God has great and mighty things for each of us if we will only seek Him. If you don't know what you are looking for, how will you know when you find it? Seek God and His goodness. It is there for the taking.

3. Ezra was a "Doer"—there are lots of people

who have learned to talk a good story, but there must be more than talk. We must learn to do. He says, "Be ye doers of the Word, and not hearers only." (James 1:22)

4. Ezra was a "Teacher"—learning is a wonderful concept, but it doesn't do much good if we do not share what we know with others. Teaching is a privilege, and a joy. I love to teach because it is an encouragement and help to others.

I can say that Ezra 7:10 is my life verse, and it has challenged me to stay focused. If one verse can have that kind of effect on us, what would an entire Book do? God wants to change our lives, and He wants to do it through His Word. Make the Bible a daily part of your life. The Bible will keep you from sin, and sin will keep you from the Bible. Tom

The magical, mythical field in the corn of Iowa

The bats have been bagged for the winter. Boxes of baseballs shelved and the bases plucked from the diamond and put in storage somewhere under the grandstand until spring. The Astros have won their very first World Series, sore arms have been sent home to heal, and baseball fans have begun to gather 'round the stove to ponder the season to come.

Everywhere, that is, except on the Field of Dreams, that magical, mythical baseball field built in the middle of an Iowa cornfield because, as you know, "if you build it, they will come."

The Field of Dreams, which, while magical, is very real—on the rolling landscape of eastern Iowa, just out of Dyersville, on Lansing Road. It has been

there for 29 years now, ever since it was built in 1988 for the making of the classic movie based on W. P. Kinsella's marvelous book, "Shoeless Joe." Built on a few acres carved from Don Lansing's farm, but more important than the acreage are the field dimensions: 281 feet down the left field line, 314 to dead center and 262 feet to the right field wall, if there were a wall, but there isn't. There is a

cornfield. And it truly is there, just as it was in the movie—or at least it was last week; may have been picked by now. It is November. It is replanted each growing season to coincide with the baseball season.

So the outfield wall is clearly defined by corn 12 feet high, high enough that the visitor, wanting to inhale the total experience, just as Joe Jackson and Doc Graham and Terence Mann did on film, can vanish into... well, into wherever those ballplayers went.

On this day, this crisp, clear autumn day—after all this isn't heaven, it's Iowa—on this day Carl has come from Charlottesville, VA. This field, this experience, has been on his bucket list for a very long time.

"Will you play catch with me?" he asks after trotting the bases. He's winded. Probably 55 and maybe the same in the overweight department.

"Sure." He has two gloves and he tosses one to me. "That's important," he says of the glove. "That was my dad's glove. He's gone now." I put dad's glove on and pound my fist into the mitt, because that's what you do.

We toss the ball back and forth; not much form and even less accuracy,

but that's not important. What's important to both of us—Carl more than me—is that this is what the story is all about. Gonna be a little chauvinistic here. This is what most wives don't get when they watch their husbands tear up watching this movie. It's about fathers and sons and unfulfilled dreams and never having had that

A MOMENT Ed Breen

one day in the big leagues like Moonlight Graham had and it's about stepping across that baseline like Doc Graham did, knowing that there was no way on God's earth to go back, ever.

It's about baseball and Ray Kinsella and listening to James Earl Jones talk about baseball and pronounce that word—base... ball—like it has never sounded before.

"The one constant through all the years, Ray, has been baseball. America has rolled by like an army of steamrollers. It's been erased like a blackboard, rebuilt, and erased again. But baseball has marked the time. This field, this game—it's a part of our past, Ray. It reminds us of all that once was good, and it could be again.

"Ohhhhhhhh, people will come, Ray. People will most definitely come."

Carl and I defer to a busload of youngsters—junior high age, maybe—

who have come 200 miles on a school field trip to here and to the state park over along the Mississippi River. Interesting, they say, but not mystical. No, most have not seen the movie. They have to watch it back at school.

Carl and I walk to the baseline between home plate and first base. We—a couple of certifiable old codgers—seriously debate exactly where it was along this baseline that Terence Mann stepped over it, stepped onto the Field of Dreams and walked slowly across the diamond, through center field and..."go the distance"... into that cornfield to wherever those ball players went all those years ago.

Mississinewa takes thriller, Eastbrook wins Sectional

by Sean Douglas

The Mississinewa Indians continue to make history throughout this playoff run. Last week, they defeated the Marion Giants for the first time in school history. On Friday night, the Indians won their first Sectional title since 1988 with a thrilling 41-39 win over the Western Panthers.

It didn't start off well for the Indians, as a fumble on the opening kickoff gave Western the momentum. Three plays later, Western quarterback Tyler Knepley, who broke the single-season rushing record for the Panthers this season, scored his first rushing touchdown of the game from 38 yards out to give the Panthers an early 6-0 lead.

The Indians, however, did not let their early turnover faze them. After an excellent return by sophomore running back Cade Campbell to the Western 47, the Indians capped off a 10-play drive with a two-yard draw from quarterback Cade McCain to tie the game up at 6.

After forcing a Western punt, the Indians needed just three plays to take the lead. After Campbell took a screen pass 46 yards into Panther territory, McCain found junior phenom Heisman Skeens

ns down the right sideline for a 46-yard touchdown and a 13-6 lead.

The shootout continued, as Knepley scored his second touchdown of the game from one yard out. However, after a blocked extra point, Mis-

sinewa held a one-point lead.

The Indians answered once again, this time on a Skeens 24-yard touchdown run to increase Mississinewa's advantage to eight.

However, as they would

prove, Western would not go down without a fight. After a McCain interception gave the Panthers possession deep in Western territory, Knepley broke through the line once again for an 82-yard touchdown to cut Mississinewa's

lead in two.

The Panthers might have had Knepley on offense, but they couldn't stop Skeens or Campbell on defense, and Skeens made them pay with his second touchdown grab of the game late in the second quarter. Facing second-and-10 from the Panthers 36, Skeens ran a beautiful out route and caught the ball in stride before racing to the end zone to give the Indians a 27-18 lead heading into halftime.

Campbell kept up his strong running in the second half. On the Indians' first possession of the second half, he took the ball 84 yards all the way to the Western 1 yard line, which set up McCain's second touchdown of the game to give the Indians a 34-18 lead.

When it comes to play-off football, no lead is safe, and the Panthers proved that throughout the second half. Knepley threw a touchdown and ran for another to help Western score 14 unanswered points and cut Mississinewa's lead to two.

However, when the Indians needed a big play, Campbell gave them one.

For the second time in the

second half, Campbell broke another big run—this time for 69 yards—to help bring the Indians into Panther territory. After a Western penalty, the ball was placed at the five yard line. Three plays later, McCain scored his third touchdown of the game to give the Indians a 41-34 lead.

Campbell, who finished with 285 yards on just 21 carries, gave all the credit to his offensive line for how he played against Western.

“We just got big linemen getting the job done,” Campbell said. “[They] were making semi-sized holes that were easy to run through.”

“We told Cade that we knew Western was going to be keying on Heisman,” Head Coach Curt Funk added. “We told him that he was going to have to have a career game, and he sure did. He had a career game, and I am so proud of him.”

In the season's biggest game, the Indians' big offensive line came to play. “The line, our line, just brought it all night long,” Funk said. “We were running our spread game, and I've never seen our line block as well as they did tonight.”

After McCain's final touchdown, the Western defense stiffened up, not allowing the Indians to close out the game. Knepley threw his second touchdown of the game midway through the fourth quarter, and after forcing the Indians to punt, the Panthers found themselves with the ball and a chance to win the game.

But Campbell had one more big play left in him.

With the Panthers driving into Indian territory, Campbell read Knepley's pass perfectly and came up with the interception to send Fisher Field into a frenzy.

“I was getting a little nervous,” Campbell said. “They threw me in at the center-fielder/safety position, and I knew they were going to pass it [because] time [was] running down. Watching film this week, I knew that Western threw to #88 a lot, so I was sort of cheating over him and waiting for them to throw it to him. I just read the pass and was in the right place at the right time.”

With that, after 29 long yards, the Indians, and the

residents of Gas City, were champions.

“It means everything,” Skeens said with tears in his eyes. “This town hasn't seen anything like this in [almost] 30 years, and it's awesome to bring that back home.”

“This is amazing, it's unreal,” Campbell added. “We haven't won since '88, and I just love everybody here, and it feels amazing to be part of a team that wins a Sectional.”

“Our kids showed heart all night long,” Funk said. “Again, I am just so proud of them. We just never gave up. I mean, after the first play of the game, we could have said ‘Oh man, here we go,’ but instead, we fought back, and the result of that is a Sectional championship. If someone had said that we were going to be 4A Sectional champions with the teams in our Sectional this year, I would have thought they were pretty crazy, but everybody believed in the process, and here we are.”

Mississinewa will travel to Greenwood next Friday for the Regional championship.

Eastbrook

Going against a tough and gritty Cass team on Friday night, the Eastbrook Panthers rebounded from a slow start, scoring 21 unanswered points in the second half to come away with a 28-7 victory and another Sectional title for Head Coach Jeff Adamson in his storied career.

Eastbrook took the early lead in the first quarter, but for most of the first half and

the third quarter, the Panthers' offense was stagnant. Luckily for the Panthers, the defense, which has played so well this season, came through once again, making big stop after big stop to keep Eastbrook in the game.

“It was a tough night,” Adamson said after the win. “We really had a hard time moving the ball consistently, coupled with some incredibly poor field position throughout most of the night. But, our defense was outstanding. It just seemed that [they] continued to make stops and really kept us in the game.”

With the Panthers still clinging to a 7-0 lead, Cass notched a strip-sack on quarterback Mason Hale and recovered the ball in the end zone to knot the game up. After that play, though, Eastbrook came to life and played excellent football the rest of the way.

“After [Cass] made it 7-7, we had a very good kickoff return, aided by a 15-yard penalty, and that led to a

score,” Adamson said. “It just felt like all of the sudden we picked up some momentum and a lot of intensity. After struggling the entire night with moving the ball, we had two long runs in the fourth quarter to put the game away.”

With the Sectional win, the Panthers will move on to face the Lapel Bulldogs in the Regional championship. With the Bulldogs boasting a strong passing game and an excellent rushing attack, the Panthers, once again, will need to be at the top of their game.

“They throw the ball extremely well,” Adamson said. “They've thrown for over 2,000 yards and they run the ball by committee. They have three guys that they use, and they are all very effective. [Along with that], it seems that their defense has played real well down the stretch. Again, we are playing a team that has things going well at the right time, [and we just need to execute].”

LEGAL AND PUBLIC NOTICES

OFFICIAL NOTICE OF INTENT TO SELL BONDS

GRANT COUNTY, INDIANA GENERAL OBLIGATION BONDS, SERIES 2017

NOTICE IS HEREBY GIVEN that upon not less than twenty-four (24) hours' notice given by telephone, facsimile, electronically or otherwise on behalf of the Grant County, Indiana (the "County"), prior to thirty (30) days from the date of the second publication of this notice, separate electronic and sealed bids will be received on behalf of the County in care of the County's financial advisor, LWG CPAs & Advisors (the "Financial Advisor"), 1776 North Meridian Street, Suite 500, Indianapolis, Indiana 46202, telephone (317) 634-4747, facsimile (317) 632-2727, email: Robert.Reynolds@LWGCpa.com, in the manner as set forth herein for the purchase of the bonds of the County designated as "Grant County, Indiana, General Obligation Bonds, Series 2017" (the "Bonds") in an aggregate principal amount not to exceed \$8,750,000, bearing interest at a rate or rates not exceeding six percent (6.00%) per annum. Upon completion of the bidding procedures described herein, the results of the sealed, non-electronic bids received shall be compared to the electronic bids received by the County.

TYPES OF BIDS ALLOWED. Bids may be submitted electronically via PARITY in accordance with this Notice of Intent to Sell Bonds, until 12:00 P.M. local time (EDT) on the date of sale, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Intent to Sell Bonds, the terms of this Notice of Intent to Sell Bonds shall control. For further information about PARITY, potential bidders may contact the Financial Advisor to the County or i-Deal LLC at 1359 Broadway, 2nd Floor, New York, New York 10018, telephone (212) 849-5021. Sealed bids may be submitted to the County's Financial Advisor at the mailing address, email address or facsimile number described above until 12:00 P.M. local time (EDT) on the date of the sale. It is currently anticipated that bids will be requested on November 21, 2017.

FORM, MATURITY AND PAYMENT OF BONDS. Interest on the Bonds shall be calculated on the basis of twelve (12) thirty (30)-day months for a three hundred and sixty (360)-day year and shall be payable semiannually on January 1 and July 1 in each year, commencing July 1, 2018. The Bonds will be issued as fully registered bonds in book-entry-only form in denominations of \$5,000 each or any integral multiples thereof, not exceeding the aggregate principal amount of such Bonds maturing in any one year, and when issued, will be registered in the name of CEDE & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York. Purchasers of beneficial interests in the Bonds will not receive physical delivery of bond certificates and ownership by the Beneficial Owners of the Bonds will be evidenced by book-entry only. As long as Cede & Co. is the registered owner of the Bonds as nominee of DTC, payments of principal and interest will be made directly to such registered owner, which will in turn, remit such payments to the DTC Participants for subsequent disbursement to the Beneficial Owners. The County shall not have any liability for the failure of DTC or any DTC Participant to remit the payment or provide any notice to any Beneficial Owner of Bonds. The Bonds shall be numbered consecutively from R-1 upward and shall bear an original issue date which shall be the date the Bonds are issued.

The final aggregate principal amount of the Bonds and the principal maturity schedule for the Bonds will be provided to registered bidders at least twenty-four (24) hours before the scheduled time of sale. The County reserves the right to adjust principal amounts within maturities to achieve approximate level annual debt service levies of the County based upon the rates bid by the successful bidder, the County's current debt service levy and the County's anticipated debt service levy during the term of the Bonds.

All payments of interest on the Bonds will be paid by check or draft mailed one business day prior to each interest payment date, to the registered owners of the Bonds as of the first (1st) day of the month in which such interest is payable at the address as it appears on the registration books kept by the Registrar & Paying Agent as of the first (1st) day of the month of the interest payment date or at such other address as is provided to the Registrar & Paying Agent in writing by such registered owner. Principal on the Bonds will be payable at the principal corporate trust office of the Registrar & Paying Agent. Notwithstanding the foregoing, so long as DTC or its nominee is the registered owner of the Bonds, principal of and interest on the Bonds will be paid directly by the Registrar & Paying Agent to DTC as provided hereinabove.

The Bonds may be transferred or exchanged at the office of the Auditor of the County, or her designee, as registrar and paying agent for the Bonds (the "Registrar & Paying Agent"), subject to the terms and conditions of the ordinance authorizing the Bonds.

REDEMPTION PROVISIONS. The Bonds maturing on or after January 1, 2028, may be redeemed prior to maturity at the option of the County in whole or in part, in any order of maturity as selected by the County and by lot within maturities, on any date not earlier than July 1, 2027. Redemption will be at face value plus accrued interest to the redemption date and without any redemption premium.

Upon the election of the successful bidder, any of the Bonds may be issued as term bonds subject to mandatory sinking fund redemption on January 1 and July 1 of the year set forth above at 100% of the face value in accordance with the final maturity schedule provided to the purchaser.

Notice of any redemption will be mailed by first class mail by the Registrar & Paying Agent not less than 30 days prior to the date selected for redemption to the registered owners of all Bonds to be redeemed at the address shown on the registration books of the Registrar & Paying Agent; provided, however, that failure to give such notice by mailing or a defect in the notice or the mailing as to the Bonds will not affect the validity of any proceedings for redemption as to any other Bonds for which notice is adequately given. Notice having been mailed, the Bonds designated for redemption will, on the date specified in such notice, become due and payable at the then applicable redemption price. On presentation and surrender of such Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable, such Bonds will be redeemed by the Registrar & Paying Agent and any paying agent for that purpose. From and after the date of redemption so designated, unless default is made in the redemption of the Bonds upon presentation, interest on the Bonds designated for redemption will cease.

INTEREST RATES. Each bid must be for all of the Bonds and must state the rate or rates of interest therefor, not exceeding the maxi-

mum per annum interest rate hereinbefore specified. Such interest rate or rates must be in multiples of 1/8, 1/20 or 1/100 of one percent (1.00%). Bids specifying more than one interest rate must also specify the amount and maturities of the Bonds bearing each rate. All Bonds maturing on the same date shall bear the same rate of interest and the interest rate bid on any maturity of Bonds shall be equal to or greater than the interest rate bid on any and all prior maturities of Bonds. Although not a term of sale, it is requested that each bid show the net dollar cost to final maturity and the net effective average interest rate on the entire issue.

BIDDING DETAILS. Any person interested in submitting a bid for the Bonds may furnish written notice of such intent along with such person's name, address and telephone number, on or before 10:00 a.m. local time (EDT), November 17, 2017, to LWG CPAs & Advisors, 1776 North Meridian Street, Suite 500, Indianapolis, Indiana 46202, telephone (317) 634-4747, facsimile (317) 632-2727, email: Robert.Reynolds@LWGCpa.com. The person may also furnish an e-mail address. The County will cause each person so registered to be notified of the date and time bids will be received for the Bonds, not less than twenty-four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by telex or facsimile and electronically if a telex or facsimile number or e-mail address has been furnished. No conditional bid, OR BIDS FOR LESS THAN 98.5% OF THE PAR VALUE OF THE BONDS, will be considered. The County reserves the right to reject any and all bids and to waive any informality in any bid. If no acceptable bid is received on the date fixed for sale of the Bonds, the sale may be continued from day to day thereafter without further advertisement for a period not to exceed thirty (30) days, but if so continued, no bid will be accepted which offers an interest cost which is equal to or higher than the best bid received at the time fixed for the sale.

Each of the bids for the Bonds not submitted via PARITY (i) shall be sealed in an envelope marked "Grant County, Indiana, General Obligation Bonds, Series 2017;" (ii) must be on the form approved by the County, without additions, alterations or erasures, which form may be obtained from the County's Financial Advisor at the address set forth herein; and (iii) delivered to the Financial Advisor on behalf of the County as required hereinabove.

AMENDMENTS. The County reserves the right to amend any information contained in this Official Notice of Intent to Sell Bonds. The County also reserves the right to postpone, from time to time, the date established for the receipt of bids on the Bonds. If any date fixed for the sale is postponed, any alternative sale date will be announced at least 24 hours prior to such alternative sale date.

BASIS FOR AWARD. The sale of the Bonds will be awarded to the bidder making a bid that conforms to the specifications herein and which produces the lowest Net Interest Cost rate to the County. The Net Interest Cost rate is determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided minus any premium bid plus any discount bid. In the event of a bidder's error in interest cost rate calculations, the interest rates and premium, if any, set forth or incorporated by reference in the Official Bid Form will be considered as the intended bid.

In the event that the County fails to receive a bid on the Bonds from at least three Underwriters (as hereinafter defined), the County shall so advise the successful bidder for the Bonds (such successful bidder, the "Purchaser"). If the Purchaser is an Underwriter intending to resell all or any portion of the Bonds to the Public (as hereinafter defined), the Purchaser must, prior to acceptance of its bid by the County, either (i) agree in writing to neither offer nor sell any of the Bonds to any person at a price that is higher than the initial offering price for each maturity of Bonds during the Holding Period (as hereinafter defined) for any maturity of the Bonds or (ii) request in writing that the County treat the first price at which 10% of a maturity of the Bonds (the "10% test") is sold to the public as the issue price of that maturity, applied on a maturity-by-maturity basis. For purposes of this Notice of Intent to Sell Bonds, (a) the term "Public" shall mean any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter, (b) the term "related party" means any two or more persons who have greater than 50 percent common ownership, directly or indirectly, (c) the term "Underwriter" means (i) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public), (d) the term "Underwriters" means more than one Underwriter, and (e) the term "Holding Period" means the period starting on the date the County awards the Bonds to the Purchaser (the "Sale Date") and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Underwriter has sold at least 10% of each maturity of the Bonds to the Public at prices that are no higher than the initial offering price for such maturity of the Bonds. Any underwriter executing and delivering an Official Bid Form with respect to the Bonds agrees thereby that if its bid is accepted by the County (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all participating underwriters of the Bonds for purposes of assuring the receipt of each such participating underwriter of the Final Official Statement. The Purchaser shall be responsible for providing (i) in writing the initial reoffering prices and other terms, if any, to the Financial Advisor as and at the time requested and (ii) a certification verifying information as to the bona fide initial offering prices of the Bonds to the Public and sales of the Bonds appropriate for determination of the issue price of, and the yield on, the Bonds under Internal Revenue Code of 1986, as amended, as and at the time requested by the County's bond counsel.

GOOD FAITH DEPOSIT. The successful bidder will be required to deliver to the Financial Advisor, on behalf of the County, a certified or cashier's check or wire transfer consisting of immediately available funds to the County as instructed by the Financial Advisor on behalf of the County in the amount of one percent (1.00%) of the aggregate principal amount of the Bonds (the amount of such check or wire transfer being referred to hereinafter as the "Deposit") within 24 hours after the bid is accepted. If a check is submitted, it must be drawn on a bank or trust company that is insured by the Federal Deposit Insurance Corporation. In either case, the Deposit must be submitted to the County or its Financial Advisor within 24 hours after the bid is accepted in order to qualify the bid and shall be made payable to "Grant County, Indiana," as a guarantee of the good faith of the bidder. The Deposit will be applied to the purchase price of the Bonds.

In the event the bidder to whom the Bonds are awarded shall fail or refuse to comply with the provisions of the bid and this notice, such Deposit shall become the property of the County and shall be taken and considered as liquidated damages of the County on account of such failure or refusal.

The successful bidder will be required to make payment for the Bonds in Federal Reserve or other immediately available funds and accept delivery of the Bonds within five (5) days after being notified that the Bonds are ready for delivery, at a bank designated by the County. Any premium bid must be paid in cash at the time of delivery as a part of the purchase price of the Bonds. The Bonds will be ready for delivery within sixty (60) days after the date on which the award is made, if not deliverable within that period, the successful bidder will be entitled to rescind the sale and the good faith check will be returned. Any notice of rescission must be in writing. At the request of the County, the successful bidder shall furnish to the County, simultaneously with or before delivery of the Bonds, a certificate in form satisfactory to the County regarding the price at which a substantial amount of Bonds of each maturity was reoffered to the public.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bonds nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of its bid. No CUSIP identification number shall be deemed to be a part of any Bond or the contract evidenced thereby and no liability shall hereafter attach to the County or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing or typing of CUSIP numbers on the Bonds shall be paid by the County; provided, however, it shall be responsibility of the successful bidder to timely obtain the numbers and to pay the CUSIP Service Bureau charge for the assignment of the numbers. The successful bidder will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

AUTHORITY AND PURPOSE. The Bonds are being issued under the provisions of the Indiana Code to provide funding for the costs of the design, construction, furnishing and equipping of: (i) renovations to the jail, including but not limited to a new generator system; (ii) renovations to the annex; (iii) renovations to the detention center, including but not limited to water infiltration improvements; (iv) renovations to the court house, including but not limited electrical and mechanical matters and (v) any other related items as determined by the County, together with the expenses necessarily incurred in connection therewith, including the expenses incurred in connection with the issuance of the Bonds.

The principal of and interest on the Bonds are payable solely from ad valorem property taxes to be levied upon all taxable property in the County.

BOND DELIVERY. At the time of delivery of the Bonds, the approving opinion of Barnes & Thornburg LLP, Indianapolis, Indiana, Bond Counsel, as to the validity of the Bonds, together with a transcript of Bond proceedings, the printed Bonds and closing certificates in the customary form showing no litigation, will be furnished to the successful bidder at the expense of the County.

PRELIMINARY OFFICIAL STATEMENT. A copy of the Preliminary Official Statement prepared at the direction of the County may be obtained via the web at www.i-dealprospectus.com or in limited quantities prior to submission of a bid by request from the County's Financial Advisor, LWG CPAs & Advisors (the "Financial Advisor"), 1776 North Meridian Street, Suite 500, Indianapolis, Indiana 46202, telephone (317) 634-4747, facsimile (317) 632-2727, email: Robert.Reynolds@LWGCpa.com. Said Preliminary Official Statement will be in a form deemed final by the County, pursuant to Rule 15c2-12 of the Securities and Exchange County (the "Rule"), subject to completion as permitted by the Rule.

Within seven (7) business days of the sale, the County will provide the successful bidder with up to 30 copies of the final Official Statement at the County's expense and such additional copies as may be requested, within five (5) business days of the sale, by the successful bidder at the expense of the successful bidder. Inquiries concerning matters contained in the nearly final Official Statement must be made and pricing and other information necessary to complete the final Official Statement must be submitted by the successful bidder within two (2) business days following the sale to be included in the final Official Statement.

Any underwriter executing and delivering an Official Bid Form or a bid via PARITY with respect to the Bonds agrees thereby that if its bid is accepted by the County (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all participating underwriters of the Bonds for purposes of assuring the receipt of each such participating underwriter of the Final Official Statement. The Purchaser shall be responsible for providing (i) in writing the initial reoffering prices and other terms, if any, to the Financial Advisor as and at the time requested and (ii) a certification verifying information as to the bona fide initial offering prices of the Bonds to the public and sales of the Bonds to the public and sales of the Bonds appropriate for determination of the issue price of, and the yield on, the Bonds under Internal Revenue Code of 1986, as amended, as and at the time requested by the County's bond counsel. In order to assist bidders in complying with paragraph (b)(5) of the Rule, the County will undertake, pursuant to the Continuing Disclosure Agreement which shall be delivered to the successful bidder at the closing on the Bonds, to provide annual reports, certain financial information, and notices of certain events as required by Section (b) (5) of the Rule. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Final Official Statement.

If bids are submitted by mail, they should be addressed to County in care of the Financial Advisor at the address listed above.

Dated this 1st day of November, 2017.

Lady Giants open with two wins

Marion

On November 1 of last year, the Pendleton Heights Arabians routed the Marion Giants by a score of 100-36. Three hundred and sixty four days later, the Giants found redemption.

Marion received strong performances from both Rashaya Kyle and Jazmyn Turner as the Giants defeated the Arabians 59-52 to give Lawrence Jordan his first win as the Marion Lady Giants' head coach.

Both Kyle and Turner finished with double-doubles. Kyle, who imposed her will on both the offensive and defensive glass, corralled 21 rebounds to go along with 14 points. Turner, who was also impressive on both ends of the floor, finished with 14 points and 16 boards.

Guard Ellie Vermilion, another player that Jordan believes will be a key factor in the Giants' success this season, chipped in nine points in the victory.

Heading into halftime, the Giants trailed by three, but an 18-8 scoring advantage in the third quarter, including a 12-0 run to start the second half, gave Marion a 32-23 lead that they would not relinquish.

The Arabians cut the lead to as little as six in the fourth quarter, but the Giants made their free throws down the stretch to secure the victory.

"It's special to me," Jordan said. "It is a privilege, an honor, and a blessing to be coaching the Marion Lady Giants. This town is laced with talent, and what I want to is intersect some discipline, some organization, and some structure. We are going to reach for the stars."

The Giants improved their record to 2-0 on the year with a commanding 70-49 win over Harrison on Saturday afternoon.

Kyle had a monster game, recording her second double-double in a row with 24 points, 24 rebounds, and seven blocks in the Giants' victory.

Mississinewa

The Omega Tandy era got off to a great start on Saturday afternoon, as double-doubles from Erika Foy and Alaina Webb and unselfish play throughout brought a 75-54 victory over the Taylor Titans.

"Well, honestly, I just really loved how all of our players shared the basketball," Tandy said after the season opening win. "We had 10 of our 11 players score, and everybody was so unselfish. I just think we had so much fun. The girls were enjoying the game, and they kind of proved to themselves that we can do this, and we can play our style and be successful with it."

Foy, who finished with a game-high 28 points and 11 rebounds, shot 69 percent from the floor, while Webb, who finished with 10 point and 11 rebounds, shot 50 percent. As a team, the Indians shot 49 percent from the floor, and that was due in large part to the shots they took throughout the contest.

"We focus a lot in practice on taking high percentage shots," Tandy said. "In the system we run, we [look for] high percentage shots that the girls are all comfortable taking. We [certainly] got that today."

"Turnovers are our biggest nemesis right now," Tandy said. "We had 18 against Taylor, [and we] are trying to keep that number around 12 or below. We advance the ball a lot, and when we do that, we turn the ball over, so we just need to get more comfortable in our system. Those are all correctable things that we can work on."

Oak Hill

On Friday night, the Oak Hill Golden Eagles, ranked No. 2 in the 2A preseason polls, got off to a tremendous start with a 61-28 win over the Peru Bengal Tigers in the season opener.

The Golden Eagles took control early, as they outscored the Tigers 17-6 in the first quarter and cruised

from there.

"I think our defensive pressure helped us to force some turnovers and turn some defense into offense," Head Coach Todd Law said after the game. "We got a lot of [easy] layups, [points] off steals, [and] our fast break was pretty solid. I think those were two of the main contributing factors for us. It was definitely not our best performance, but we were able to come out, get some of the jitters out, and get the kids on the floor and acclimated back to playing."

Taylor Westgate led the Golden Eagles with 19 points on nine-of-12 shooting to go along with six rebounds and six steals, and was a menace inside all game long. "Taylor had a definite size advantage inside, and obviously, we took advantage of that," Law said. "She did a nice job."

Brittany McCorkle also played a strong game, finishing with 10 points, five rebounds, and four assists. "I thought that Brittany had the best game of anyone last night," Law said. "I thought she played a really good, solid game for us coming off the bench at the point spot."

Jenessa Hasty finished with 10 points, five rebounds, and seven steals, while Kaela Robey had eight points in the victory.

*Brunner names Hornocker,
Butche his top fall athletes*

The fall sports season in Grant County is still rolling on into November, but the male and female athlete awards for the fall of 2017 probably can be announced this week.

Never in the history of Grant County cross country have a boy and girl runner performed in the manner that Brennan Butche of Mississinewa and Margo Hornocker of Oak Hill did this fall season.

Butche just had a run for the ages, finishing fifth in the state meet down at Terre Haute last week. If we had classes in cross country, like we do in all the team sports, he would have finished as the state runner up in 3A.

The cross country coaches will name a top runner in each class and he will be the runner up for 3A Runner of the Season in 2017.

Hornocker, on the other hand, will be named the 2A girls Runner of the Season. Check out this statistic: she ran a 5K race earlier this season and was clocked in 17 minutes and 56 seconds. That is the fastest cross country 5K time ever recorded in the state of Indiana by a 2A or 1A girl cross country runner.

During the season, Margo broke the old Oak Hill school record in 11 out of 12 races;

unheard of in modern high school cross country records.

Hornocker, like Butche, made first team all state by finishing 11th in the state cross country finals.

Inccstats.com takes every time recorded by each runner in the state this year and ranks the runners on their three months of running. Butche ended up ranked 11th in the state out of over 2000 boys varsity cross country runners, while Hornocker ended up ranked sixth in the state by the same inccstats.com group.

Butche, just a junior, has two track seasons and one more cross country year to keep on his record pace. Hornocker, who was named to the Indiana All Star team for

girls and will run against the top Midwest ladies on Saturday, November 18 in Ohio, then wrap up her Eagles track career this spring.

Congratulations to Brennan Butche and Margo Hornocker, my Grant County boy and girl athletes of the 2017 fall sports season.
