## Child poverty at 29% in Grant Co.

The Indiana Youth Institute's (IYI) has released its 2018 Indiana "Kids Count" Data Book, with information on child well-being in the areas of health, safety, economics, education, and families and communities, including data for Grant County. Among the findings:

### Child Poverty:

For the first time since 2009, the child poverty rate statewide fell to less than 20 percent (19.5 percent), but the child poverty

rate in Grant County is 29.1 percent. The news is even more stark for children of color. Black children are three times more likely and Hispanic children more than twice as likely to live in poverty than their white peers (42.2 percent for black children, 30.9 percent for Hispanic children and 13.9 percent for white children, statewide).

### Child Abuse and Neglect:

Drug abuse, particularly opioid use, continues to drive up

child abuse and neglect rates in Indiana. There were 18.6 substantiated cases of child abuse or neglect per every 1,000 children in 2016, up from 17.1 per 1,000 in 2015. The rate in Grant County is slightly lower than statewide, at 17.6 substantiated cases per 1,000 children.

### Infant Mortality:

Indiana infants are 24 percent more likely to die before their

## Vermilion recalls the 'evening of a lifetime'

*Ann Vermilion, administrative director of Marion General Hospital and chair of the Grant County Opioid and Substance Abuse Task Force, was the guest of U.S. Representative Susan Brooks (Republican, District 5) at the State of the Union address given by President Donald Trump on Tuesday night, January 30. Here are her thoughts from that experience:*

### by Ann Vermilion

It's cold today. Wind chill is around 10 degrees and it's brutal. [My husband] Aaron and I were determined to visit Arlington National Cemetery and view the changing of the guards at the Tomb of the Unknown Soldier. The visit was absolutely breathtaking and regal—a true microcosm of our VA in Marion, Indiana. I realized at that moment how blessed my community is to have such a national beauty in our hometown, an honor we should never take for granted.

Washington DC is all abuzz about

the State of the Union, the discussion at every coffee shop, restaurant, Uber ride and such. Everyone asking, "Will you be watching?" and I got to say, "I'll be attending the State of the Union tonight." Amazed. Honored. Appreciative. Streets began to close, security details on every street corner from the Capital and nearly seven blocks in radius. Helicopters swarmed the city the entire day. I decided that the grim notion and possibility of 'Designated Survivor' could fall into an obscure part of my brain and was no longer a concern of mine. I will be sitting in the most protected place in the entire world.

My excitement and nerves were blazing as we walked to Congresswoman Brooks' office in the Longworth Building around 5 pm. We were going to meet in her office, do some media interviews and proceed to the invitation-only dinner put on by Majority Leader Rep. Kevin McCarthy, steps away from the House floor. Little did I know at the time

that my husband Aaron and I were having a memory of a lifetime and the State of the Union had not yet even started.

Congresswoman Brooks was the most gracious host and made us feel like world dignitaries. She is so proud of the work Grant County has done in the fight on Opioids. She introduced us to nearly every Secretary and Cabinet member we could find. Each conversation was highlighting the progressiveness and cooperation that our hometown has displayed in the midst of a national health crisis.

It was an honor to be the voice of our community's journey. I could not tell you the highlight of our dinner, as every interaction seemed to be unreal. I sat down with my food, then turned to have Dr. Ben Carson, former Presidential candidate and now Secretary of Housing, introduce himself to me—to me, as if I was some-

## IWU senior from Marion to present at national mtg.

Indiana Wesleyan University senior Krisandra Johnson of Marion has been selected to present her capstone work at the National Conference of Undergraduate Research at the University of Central Oklahoma in April.

Johnson's research explores how Kurt Vonnegut's characters often find themselves on philosophical journeys with big questions like "Who is God?" and "Why does war exist?" She goes on to assert that Vonnegut's books deserve to be taught in the secondary classroom.

"Teenagers often find themselves with deep questions that they can't always answer, much like Vonnegut's characters," said Johnson. "However, Vonnegut doesn't leave the reader with absurdity. He pushes his readers to see a better humanity, and I believe teachers using Vonnegut's novels in the classroom can do the same."

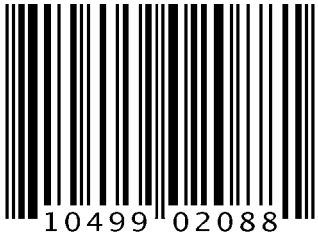

Johnson applied to the conference in the fall of 2017 by submitting a detailed abstract of her research. She was one of several selected from about 4,000 applicants.

Johnson will graduate in April with a degree in English education, after which she hopes to secure an English teaching position in Indianapolis.

**THE ROUNDUP**  
**Doug Roorbach**

HERE'S WHERE I'D...like to go on Friday, February 16 at 7:30 pm: to hear Duo Petrof, an internationally renowned piano duo that will be performing in Baker Recital Hall on the IWU Marion campus. They sound interesting: two Mexican pianists of Russian descent--Anatoly Zatin and Vlada Vassilieva--whose performances have been drawing raves for their "originality, creativity and success." Here's the best part: The performance is free of charge.

GRAMMAR COURT IS IN SESSION...Grumpy McRoorbach presiding. So, here's the problem: It's that word "So," at the beginning of every sentence I hear. I drive around a lot, which means I listen to a lot of radio and hear a lot of interviews. Here's what I've noticed:

THE CITY OF MARION...has purchased four city buses are being replaced with new ones, largely thanks to a federal grant. The new buses are the 2017 Ford Cutaway E450 model, and will replace four of the

city's oldest buses. The grant was comprised of 80% federal (\$244,000), 10% state (\$45,000), and 10% local (\$45,000) dollars. The total fleet of 13 buses is now made up of four 2017s, five 2016s, and four 2010s. The old buses have been sold to fund future Transit needs.

"With over 1,000 passengers/day, we serve more people in a day than any other agency in Grant County," said City of Marion Transportation Director, Jeff Edwards, "We're proud to offer free transit and want to keep it that way, and we're always looking to improve."

The Transportation Department also obtained new on-board video cameras through a separate INDOT grant with the same structure. That project cost was \$60,000, and the City's \$6,000 match will be paid through bus advertising. Edwards explained the grant was pretty competitive as many cities had applied and were not awarded. The cameras will be installed in the spring and will enhance security for the Transit system.

THING THAT MADE ME GO 'HMMMM' THIS WEEK...If nothing ever sticks to TEFLON, how do they make TEFLON stick to the pan?

## DOING GOOD

Photo submitted

Representatives of the USMC's Toys for Tots program present awards to Marion Fire Department Chief Geoff Williams (left) and Marion mayor Jess Alumbaugh (right).

The re-accreditation process included a self-study report and a tour of IWU's facilities from the state board, which also met with students, faculty and administrators. The board's representatives also reviewed all course and marketing materials, and then toured clinical sites where students get their hands-on experience. All that to say: it was a pretty thorough process.

It's been 20 years since the last re-accreditation, but that process will recur every five years going forward. It's a very good thing for the school and for its students.

For our last item this week, let's go back to the holiday season, when the U.S. Marines distributed 2,000 toys to Marion area families as part of its Toys for Tots Program.

The Marines dropped off

toys at each of the Marion fire stations. USMC Sgt. Trevor Williams gave credit to the local companies and individuals who made the program a success. He highlighted the efforts of one big contributor, Café Valley, which filled nearly seven boxes with toys, and donated a full pallet of 400 cakes. Individuals gave around \$3,500 in cash donations at the Marion General Motors Metal Stamping Plant as a result of gate collections facilitated by the Marines.

Good job, companies and Grant County people, good job.

Here's the final good word this week, from the Good Book, in Matthew 5:16, where it says: "let your light shine before others, that they may see your good deeds and glorify your Father in heaven."—DER

first birthday than infants nationally, ranking Indiana 41st nationally on infant mortality. In 2016, 623 Hoosier infants died in their first year (7.5 deaths per 1,000 live births) an increase from 2015 (613 deaths, or 7.3 per 1,000 compared to 5.9 per 1,000 nationally). In Grant County, five children died in their first year.

"When we look into the data, we learn that some of our children face bigger and greater challenges and barriers to success," said Tami Silverman, president and CEO of the IYI, "We all benefit when Indiana's children are healthy, safe, well-educated and economically secure. We want the information in this book to spark conversations and inform solutions throughout the state so that all of those in Indiana's next generation can reach their full potential and grow into tomorrow's leaders."

# LEGAL AND PUBLIC NOTICES

NOTICE OF REAL PROPERTY COMMISSIONERS' CERTIFICATE SALE Grant County Indiana Beginning 10:00 AM, April 4, 2018 Local Time

STATE OF INDIANA

GRANT COUNTY

Pursuant to the laws of the Indiana General Assembly and by resolution of the Grant County Commissioners, notice is hereby given that the following described tracts or items of real property are listed for sale for delinquent taxes and / or special assessments.

The minimum sale prices listed below are less than the minimum sale prices when offered in the immediately preceding county tax sale held under Section 5 of IC 6-1.1-24 and include all fees and expenses of the county directly attributable to the Commissioners' Certificate Sale. The Grant County Commissioners will accept bids for the certificates of sale, for the price referred to in IC 6-1.1-24-6.1(a) (3), by public auction on **April 4, 2018 at 10:00 AM** Courthouse Time at the County Complex, Council Chambers.

Pursuant to IC 6-1.1-24-5.1, a business entity that seeks to register to bid in an Indiana Commissioners' Certificate Sale must provide to the county treasurer, a Certificate of Authority from, or proof of registration with the Secretary of State.

Pursuant to IC 6-1.1-24-3(e), property descriptions may be omitted for properties appearing on the certified list in consecutive years. A complete property list may be obtained at [www.sirservices.com](http://www.sirservices.com) or in an alternative form upon request.

A person redeeming each tract or item of real property after the sale of the certificate must pay: (A) the amount of the minimum bid under Section 5 of IC 6-1.1-24 for which the tract or item of real property was last offered for sale; (B) ten percent (10%) of the amount for which the certificate is sold; (C) the attorney's fees and costs of giving notice under IC 6-1.1-25-4.5; (D) the costs of a title search or of examining and updating the abstract of title for the tract or item of real property; (E) all taxes and special assessments on the tract or item of real property paid by the purchaser after the sale of the certificate plus interest at the rate of ten percent (10%) per annum on the amount of taxes and special assessments paid by the purchaser on the redeemed property; and (F), all costs of sale, advertising costs, and other expenses of the county directly attributable to the sale of the certificate.

If the certificate is sold for an amount more than the minimum bid under Section 5 of IC 6-1.1-24 for which the tract or item of real property was last offered for sale and the property is not redeemed, the owner of record of the tract or item of real property who is divested of ownership at the time the tax deed is issued may have a right to the tax sale surplus.

Indiana law prohibits a person who owes delinquent taxes, special assessments, penalties, interest, or costs directly attributable to a prior tax sale, from purchasing tracts or items of real property at a tax sale. Prior to bidding at a tax sale, each bidder must affirm under the penalties for perjury that he or she does not owe delinquent taxes, special assessments, penalties, interest, costs directly attributable to a prior tax sale, amounts from a final adjudication in favor of a political subdivision in

this county, any civil penalties imposed for the violation of a building code or ordinance of this county, or any civil penalties imposed by a health department in this county. Further, each bidder must acknowledge that any successful bid made in violation of the above statement is subject to forfeiture. In the event of forfeiture, the bid amount shall be applied to the delinquent taxes, special assessments, penalties, interest, costs, judgments, or civil penalties of the ineligible bidder, and a certificate will be issued to the county executive.

The Commissioners specifically reserve the right to withhold from the sale any parcel which has been listed in error, or which otherwise becomes ineligible for sale either prior to the start or during the duration of the auction. The Auditor's Office does not warrant the accuracy of the key numbers or street addresses published herein and any misstatement in the key number or street address does not invalidate an otherwise valid sale.

# Meet NASA's choice to protect planet Earth

For those of us who were launched into math and science classes by Sputnik—and most of us were mercifully washed out an at an early age—for those of us who watched the moonwalkers from afar, a couple of alarming numbers today.

Of the 833 members of the American astronaut corps, a scant dozen of them were so fortunate and courageous as to walk on the moon. Of their ranks, but five—only five of the men who went to the moon and returned to their home planet—are still with us. Each of them is now in his 80s: Buzz Aldrin, Alan Bean, Charles Duke, David Scott and Harrison Schmidt.

Now there's some muttering and mumbling about returning to the moon, and then on to Mars, and then to—literally—God knows where.

Along the way for a half-century, Hoosiers have been along for the ride. Neil Armstrong, of course, went to Purdue before he went to the moon. Gus Grissom, the boy from Mitchell, Indiana, died trying. One from our own neighborhood—Kevin Ford, a 1978 graduate of Blackford High School—was aboard space shuttle flights and visited the space station.

Now another Hoosier is about to take on the awe-some responsibility of protecting all of planet Earth from whatever might come here to visit from elsewhere.

Dr. Lisa Pratt, an astrobiologist at Indiana University in Bloomington, was named last week as—get this—“planetary protection officer” at NASA. Most of us can barely protect the lawn from grubs, much less protect the whole planet.

Up until last week she had been provost professor in the Indiana University Bloomington College of Arts and Sciences' Department of Earth and Atmospheric Sci-ences. Now protector of the planet. Something worthy of Stars Wars or Star Trek, if not superhero status.

What's interesting about Dr. Pratt's job is that it at least hints that we—man-kind, Americans—are going to go to Mars or someplace and return with whatever we find wherever we go. Remember the bags of moon rocks the Apollo boys brought home and how we pushed and shoved to see them?

Here's what the NASA folks said about her job:

“Pratt is responsible for protecting Earth from potential contamination by extraterrestrial life forms, including potential microorganisms that could live in the ice or groundwater of Mars.”

“Pratt will also work to make sure that Earth's microbes don't accidentally make it to other planets through exploratory probes, or on the boots of astronauts embarking on their next mission.”

Pratt has been in Bloomington for 31 years. Her research has dealt with

one he was dying to meet!

The evening went on, with introductions to: Rex Tillerson, Secretary of State; Rick Perry, Secretary of Energy; Alex Azar, Secretary of Health and Human Services; Alex Acosta, Secretary of Labor and Kristjen Nelson, Secretary of Homeland Security. All graciously listened to my story and my pride for my fellow partners in Grant County. Prior to leaving, we were welcomed to Speaker of the House Paul Ryan's office party and got to view his Capitol office balcony. Amazed. Honored. Appreciative.

After the dinner, Congress-

woman Brooks' and I said goodbye to my husband, who had to be escorted back to her office through the underground tunnels to watch with her staffers. It was time to witness history in the making. My excitement was beyond words. I could only have my ID and my ticket (the corrected version, the misspelled version of the ticket was not accepted). No purses. No cell phones. No coats.

Arriving about 60 minutes early to the gallery, I met new friends around me who together began to shout-out famous Leg-islatures and honored guests. There is a phrase many use "If I could be a fly on the wall." and for the next few hours, that is exactly what I was.

We could witness everyone finding their seats and saying hello to others: Democrats, Republicans, Supreme Court judges, Cabinet members, Generals from the defense team. There are no assigned seats for the Legislators, so we could watch as they meaningfully determined which seat to take, as if the decision was a political statement. I watched as the First Lady and First Family entered the gallery directly across from my seat. The excitement of the moment filled the air.

As I watched Trump being announced by the Sergeant of Arms and as he entered the room, I fell into a dream-like state, pinching myself in disbelief that I was actually there

watching a piece of history. During the speech, as I glanced over the entire House floor below me, I realized, "This is a perfect representation of 'We the People of the United States of America' and the exact intent of our Forefathers."

Each and every legislator in this room is a representative of their piece of America. One can be upset that another candidate or representative is not represented in this room, or one can be upset that someone IS represented in this room. But with our democratic foundation and constitutional right for all citizens to vote, THESE are the representatives that received the most votes. These are the individuals that should be honored

and given respect tonight. Everyone in that room deserved to be respected and honored.

I was proud of President Trump for his ability to speak to our nation in a noble, professional and presidential tone. He was poised and confident in his delivery. In hindsight, as a guest in the gallery, it was bit of a psychology experiment in terms of all the clapping, standing up, and sitting down rhetoric. At one point, I was so engrossed in watching both sides of the floor and their facial reactions, their conversations and such, that I was not even sure what the President had just said. My body just began clapping and standing and sitting automatically with the crowd, as my

mind was more fixed on watching the reactions below.

The night of the State of the Union was one of the most enchanted evenings of my lifetime. I am amazed, honored and appreciative of Congress-woman Brooks for her support of my community, my partners in this opioid fight, and mostly her support of me personally. I appreciated her graciousness as my host, and her willingness to applaud my efforts and my personal passion towards achieving improved health for all Hoosiers.

I love my community and I am thankful to have my Congresswoman see my passion and reward it with the memory of a lifetime.

LETTER TO THE EDITOR

**Dear Editor:**  
Many people kick off the New Year with a resolution to live a healthier lifestyle. If you are one of the 17,000+ adults in Grant County who smoke, the most important decision you can make to protect your health is to quit smoking. Eliminating tobacco from your life will decrease your risk of lung disease, cancer and even early death. In 2017, Grant County alone suffered 125 deaths related to smoking, 14 deaths due to second-hand smoke and 3,749 smoking related illnesses.  
Smoking causes an enormous burden on personal and public health. According

to the World Health Organization worldwide, tobacco products are estimated to be responsible for 3 million deaths annually, or about 6% of all deaths. By the 2020s or early 2030s, it is expected to cause 10.9% of all deaths, more than any single disease. There is no better time to make it a priority to quit.  
If you want to quit or have tried in the past, don't give up. It often takes several tries before you can quit for good. With planning and support, you can become tobacco-free. The Indiana Tobacco Quitline at 1-800-QUIT NOW (1-800-784-8669) is available for free coaching 24 hours a day, seven days a

week to support you through quitting. The Helpline (with medical eligibility) will provide callers with free nicotine patches for up to four weeks. The combination of free coaching and cessation medication can make you three times more likely to quit for good.  
Quitting smoking can be hard, but knowledge is power. Let 2018 be the year that you choose to quit, making your New Year smoke-free and healthier than ever.

Protecting our students

Children spend a large amount of time at school. As they focus on their classes and shuffle off to athletic events, House lawmakers are considering policies to better ensure our students are safe as they continue to grow and learn.  
Bullying is a problem many students face across the nation, further propelled by access to social media and cellphones. To better take on this issue in our schools, House Bill 1230 would ensure that all school corporations have disciplinary rules that prohibit bullying through computer software, cellphones and all other wireless communication devices.

TALK OF THE HOUSE  
Rep. Tony Cook

Current law states that a school corporation's disciplinary rules pertaining to bullying must prohibit bullying through computers. In addition, the Department of Education (DOE) would provide online resources for preventing or reporting bullying and cyberbullying.  
The DOE would also maintain a link on its website on how to identify and report human trafficking. In order to teach educators about the signs, certain school employees would begin to participate in at least one hour of in-service training every two years pertaining to the identification and reporting of human trafficking.  
Human trafficking can occur anywhere and a victim can be trafficked without ever leaving their community. Educators interact daily with children who are at risk of becoming or are already victims of human trafficking. By

being able to recognize the signs of human trafficking, those who work closely with children can be better equipped to help their students.  
We also want to ensure that our students are able to remain safe while doing extracurricular activities. Our student athletes are often expected to spend several days a week playing sports in the summer sun. HB 1024 would establish a certified coaching education course, which all coaches would complete. The goal of this training is to ensure that coaches and their staff are knowledgeable in the prevention of heat-related medical issues and how to properly respond to complications that may arise from a student athlete's training.  
I am co-authoring both of these bills, which recently passed out of the House. As I work on this legislation and consider

Healing the 10 lepers

There are times when I just like to start writing and share what is on my heart. There are other times I like to sermonize from the Bible. Today I want to sermonize. Although I am not much of a preacher, I like to teach. Yes, there is a difference.  
Some of my favorites come from the Gospels because I like to study the life of Jesus. The life of Jesus gives us great insight to what we ought to be. There are 36 recorded miracles in the Scripture. If all the miracles that Jesus did were recorded, there wouldn't be enough volumes to hold them.  
Miracle number 30 tells the story of the 10 lepers. Luke is the only evangelist that records this story. The other Gospels give no reference to the healing of the 10 lepers.  
The Jews believed that leprosy was a disease that was inflicted for the punishment of some particular sin. In their eyes, it was a mark of God's displeasure. The Scripture tells us:  
"(11) And it came to pass, as he went to Jerusalem, that he passed through the midst of Samaria and Galilee. (12) And as he entered into a certain village, there met him ten men that were lepers, who stood afar off. (13) And they lifted up their voices, and said, Jesus, Master, have mercy on us. (14) And when he saw them, he said unto them, Go show yourselves unto the priests. And it came to pass that, as they went, they were cleansed. (15) And one of them, when he saw that he was healed, turned back, and with a loud voice glorified God. (16) And fell down

on his face at his feet, giving him thanks; and he was a Samaritan. (17) And Jesus, answering, said, Were there not ten cleansed? But where are the nine? (18) There are not found that returned to give glory to God, except this stranger. (19) And he said unto him, Arise, go thy way; thy faith hath made thee well" Luke 17:11-19.  
Christ took special interest in healing these lepers, symbolizing the taking away of sin. It is believed that Christ traveled this road to seek out those that sought Him not.  
As we see these 10 lepers, they see Jesus from afar as He entered into a certain village. They were shut out from society and had their own communities. There is no doubt Christ was tired from His journey. As they stood off from a distance, they made a unanimous request (verse 13). They lifted their voices crying out to Him for mercy. They were willing to be at His

command. There is no doubt they had heard of Jesus, and feared He would never pass by again, so they pleaded for Him to heal them.  
Christ never disappoints us and He didn't disappoint the 10 lepers. He instructed them to go and present themselves to the priest. I realize that He could have healed them on the spot like he had many others, but He didn't. We are all different, and He deals with us accordingly. As they went on their way to find the priest, they were all healed.  
If the story ended like that, it would have been a wonderful one; however, only one of them, when he realized he had been healed, turned back to give thanks. He wanted to give God the glory for what He had done. With a loud voice he glorified God. Those that receive mercy from God should publish it to others. He didn't stop there, he went even further, and fell down at Jesus' feet.  
This story doesn't focus on the nine, rather the one. I wonder at times, "Where do I fit in this story?" Do I give thanks to Jesus for all the miraculous things He does for me? We truly serve a merciful God. Have you stopped to thank Him for all He has done for you? He is worthy of our praise. Let's praise Him this year for all He has done, and all that He is going to do.  
Tom

Grant County girls basketball  
Giants and Eagles win Sectional titles

Eastbrook

In pregame warmups, the Eastbrook Panthers were practicing their free throw shooting. They worked around the key and took turns putting up shots. They cheered one another on, and encouraged each other when shots were missed. That extra practice proved to be beneficial in the contest's final moments.  
"We know we are capable of [hitting free throws]," Head Coach Jeff Liddick said. "We see it all the time, but they have struggled to step up to the free throw line and have that confidence in a key situation and knock them down."  
"Tonight, we were able to do that."

Despite scoring just eight points and connecting on one field goal attempt after halftime, the Panthers hit their free throws down the stretch and withstood a ferocious comeback for a 38-37 win.  
Both teams traded baskets in the early part of the first quarter as the Panthers took an early 8-7 lead, but as the stanza drew to a close, the Eastbrook offense came to life. Kylie Standfest knocked down two field goals, and Sarah Foulk hit two free throws to help the Panthers close out the quarter on a 7-2 run and give them a 15-9 lead.  
Their offensive dominance carried over into the second quarter, as the Panthers outscored the Cougars 15-7, which included a 12-0 run that helped them build an 18-point lead. Carroll scored four straight points to end the quarter, but the Panthers headed into halftime with a 30-16 lead.

In the first half, it was the offense that shined.  
In the second half, it was the defense's turn.  
Eastbrook's offense stalled in the third quarter as they scored only three points--two off of a Lexi Binkerd field goal and another off a free throw from Baylee Ditsler. After Ditsler's free throw, the Panthers would not score again until the final minute of the fourth quarter.  
The Cougars cut the Panthers' lead to five early in the fourth quarter with back-to-back field goals, and a three-point from Megan Wagner made it a 33-31 game with just over a minute to play.  
Over the course of that final minute of play, Foulk, Standfest, and Brianna Stepp combined to hit five of their six shots from the foul line to give the Panthers a lead they would not relinquish.  
Earlier in the season, this is the kind of game that the Panthers would have most

likely lost. Their effort on Wednesday showed how far they have come as a basketball team.  
"We definitely grew up a little bit in that second half," Liddick said. "It obviously wasn't what we wanted it to look like, but in that last timeout, I told them that you have a decision to make. You can either be a youthful, immature team and make a silly mistake, or you can grow up right now, mature a little bit, go out there and get a stop, and the girls did a great job of holding them to a two-pointer."  
Standest led the Panthers in scoring with 14 points, while Stepp finished with 10 points in the Panthers' victory.

The Panthers' season came to an end on Friday night, as they were unable recapture that first-game magic in a 58-29 loss to the Tipton Blue Devils.  
On the defensive end, the Blue Devils made the Panthers uncomfortable, taking their offense out of sync and forcing Eastbrook into quick shots. "There was definitely a little bit of nervous," Liddick said. "That Tipton team is a very experienced team, a very skilled team, a very athletic team, and they were able to put some pressure on us in the offensive end that got us out of our rhythm. We were taking shots out of desperation or panic mode as opposed to taking shots with confidence."  
Offensively, the Panthers did not match up well with Tipton's size, and the Blue Devils took full advantage. "On the defensive end, their size was a huge factor," Liddick said. "They were starting a point guard who is 6-0, and we had Sarah Foulk on her, who is 5-2. They started two other girls--one was 5-11 and the other was 6-0--so their size was a huge factor."  
At the end of the day, the Blue Devils just shot better from the field than the Panthers did.  
"It came down to them being able to hit shots," Liddick said. "In the first half, Tipton was shooting 63 percent from the field, and we were shooting 28 or 29 percent. That's the way it stayed most of the game. They were able to knock down shots."  
Though the season has come to an end, it was evident at the end of the game that the girls were not ready to be done. Now, heading into the offseason, Liddick is confident that his team will put the work in to become better basketball players in the future.  
"When I walked into the

locker room after that game, there were girls sobbing, which for me, was kind of unexpected," Liddick said. "You see that emotion when you have groups that are very successful record-wise, but you don't normally see that with a group that has struggled [at times] throughout the season. But for me to see that after going 9-14 tells me one, they have a love for each other, and two, they have a love for the game, and they don't want to see it end."  
"I would venture to say that this group of girls is going to take that emotion and apply it to some offseason improvement."

Madison-Grant

The Madison-Grant Argylls' season came to a heart-breaking end on Tuesday night: the Eastern Comets scored at the buzzer to defeat Madison-Grant 35-33 in the first game of the Sectional.  
After a seven-game losing streak from December 6-29, the Argylls seemed to finally be turning the corner, but, in the blink of an eye, their season came to an abrupt end.  
"It was a tough loss because I think they were just starting to play their best basketball," Head Coach Elizabeth Garrasi said. "To lose on a last-second shot was heartbreaking. The girls weren't ready to be done playing yet, but we just had a few things that showed our inexperience and our youth tonight. Other than that, they fought hard the entire game--they just didn't come out on top."  
For the girls who will be returning next year, Garrasi wants them to remember this game and what it felt like and use that as motivation this offseason.  
"It's really tough, especial-

"For those coming back next year, I told them that I hoped that this [loss] leaves a bitter taste in their mouth and makes them want to put in work over the summer and get better."  
The Argylls finished the season with a 7-16 record.

Marion/Mississinewa

The Marion Giants began their quest for a Sectional title with a big win on Tuesday, using their aggressive defense to overwhelm the Mississinewa Indians in a 60-23 victory. Much like in their first meeting earlier this season, the Giants' defense shut down the Indians' offense in the first half, holding them to just eight points in the first 16 minutes.  
"I told the girls that the whole focus of this tournament was clamping down on defense," Head Coach Lawrence Jordan said. "We used a full-court run-and-jump,

and then, in the half court, we tried to not let them get comfortable at all. It was a solid defensive effort by the girls.”

Marion held the Indians to 15 points the rest of the way to move on to the Sectional semifinal.

Jazmyn Turner led the Giants with 13 points, while RaShaya Kyle finished with 10 points in the Giants’ victory.

On Friday night, defense won the day again, as the Giants defeated the Belmont Braves, 45-34. After a tight first quarter, the Giants took control in the second quarter, outscoring the Braves 9-2 to take a lead they would not relinquish.

The Giants once again focused on making the guards uncomfortable at the top of the key, and they succeeded in keeping Belmont’s Grace Hunter in check.

“They have a really good player in Hunter, so what I did was pressure her, and when she passed the ball to her teammates, we denied her,” Jordan said. “In the second quarter, I went to a box-and-one, which made it really hard for her to get the ball [where she wanted]. When she wasn’t able to get the ball, her whole team stopped and watched because they really depended on her. That’s how we shut them down tonight.”

Turner finished with 15, Kyle scored 14, and Ellie Vermillion added nine points in the Giants’ victory.

For the first time since the ‘90s, the Lady Giants won a Sectional title, as Marion battled back from a 10-point deficit in the second quarter to secure a 56-53 victory over the Fort Wayne Bishop Luers Knights on Saturday night.

With the win, the Giants will advance to the Columbia City regional next Saturday, where they will face the Hamilton Heights Huskies.

Unlike their first two Sectional games, the Giants had some struggles in the first half. Nerves seemed to play a factor, as the Giants committed double-digit turnovers in the opening 32 minutes.

“In the first half, we had 16 turnovers,” Jordan said. “For whatever reason, we were just extra nervous. Inbounding the ball, stepping over the line, just enforced errors. We were just a little bit anxious out there.”

The Knights went on a 15-2 run in the second quarter to take a 24-14 lead, but the Giants responded with a 9-2 run of their own to trail Luers by just three points at

halftime.

“I told them at halftime that [the first] half was over,” Jordan said. “There is plenty of time to finish the job. The game is 32 minutes, not 16. That was what I was emphasizing.”

After trimming the Knights lead throughout the third quarter, the Giants finally overtook them in the fourth quarter, scoring 20 points in the frame to secure the Sectional championship and advance in the state tournament.

“In the second half, we calmed down and got our defense together,” Jordan said. “We were lucky to only be down three, because we didn’t play as well in the first half. It was nip-and-tuck most of the third quarter. In the fourth quarter, we finally took the lead, and then closed it out with our defense.”

Kyle finished the game with 15 points, while Vermillion scored 13 points and Turner added nine.

the Zebras to find many good looks at the basket.

The Golden Eagles pulled away in the third quarter, outscoring Rochester 18-4 to take a 42-17 lead into the final frame. Oak Hill allowed just seven points the rest of the way en route to their 29-point victory.

“The one thing that I loved tonight in our team was that I thought we played with tremendous effort for 32 solid minutes,” Law said. “We were on the 50-50 balls. When the ball came off the rim, they were going after it. I really liked their effort.”

Hasty, who has had a remarkable second half of the season, was the difference maker Tuesday night. She led all scorers with 21 points on six-of-12 shooting from the floor and a perfect nine-for-nine from the charity stripe to go along with three rebounds, three assists, and one steal.

Strong defense, combined with excellent play on the glass, helped propel the Oak Hill Golden Eagles to the Sectional finals with a 54-27 victory over the Manchester Squires on Friday night. Much like in their game on Tuesday with Rochester, the Golden Eagles’ defense overwhelmed the Squires’ offense, using a full court press in the first half to limit Manchester to 10 points.

Offensively, the Golden Eagles lit it up in the opening 16 minutes, scoring 35 points to take a 25-point lead into the second half.

“I thought we played a really good half on Tuesday night, but obviously we struggled a little bit offensively in the first quarter, but tonight was even better,” Head Coach Todd Law said. “The kids just played with tremendous intensity in the first half, and we were playing well offensively as well. It was by far our best first half of the season. The kids are just really locked in and focused right now, and hopefully we can continue that.”

After a solid game in the playoff, sophomore center Taylor Westgate had another outing against the Squires, leading the Golden Eagles in scoring with 18 points to go along with eight rebounds, all on the offensive glass.

“Taylor, especially in that first half, was just relentless on the glass,” Law said. “A

lot of those offensive rebounds went to putbacks. She had a really good game for us. She was solid in all areas.”

On Saturday, the Golden Eagles came away with their second straight Sectional title, taking over in the second half to come away with a 50-34 win over the North Miami Warriors on Saturday night. The game was close in the first half, as the Golden Eagles only led by one point, 18-17, heading into halftime.

The Warriors took the Golden Eagles out of their element in the first half, making them shoot from the perimeter, as well as making them play a slower-paced game. Going into the second half, Law was looking for his team to get back to their style of play, and the Golden Eagles responded.

“[The biggest factors] were the couple of adjustments we made at halftime,” Law said. “One, we were really settling for the perimeter shot in the first half. We only had two points in the paint, and that is just not our style of ball. We probably average about 70 percent of our points in the paint. So, we discussed that at halftime.

“The second thing we discussed was that I just felt that we were playing tentative,” Law said. “We were allowing the pace of the game to be what they wanted. They were trying to slow it down, and obviously we like a faster paced game.

“So, I think we got both of those things changed right from the start. We came out, got on a 6-0 run, changed our press, and were able to turn them over a couple of times. We got out to an eight-point lead, and most of the rest of the game it was anywhere between five and 13 points.”

Hasty led the Golden Eagles in scoring with 15 points on five-of-eight shooting, while Kaela Robey finished with 13 points and hit some key free throws down the stretch. Westgate had another solid performance, scoring 10 points in Oak Hill’s Sectional championship victory.

“That’s the first close game we have been in since the Northfield game, so I was proud of my girls in the way they reacted to that. They handled that pressure well. We did what we had to do to grind it out.”

Grant County boys basketball

# All five county teams win all their games

Eastbrook

Heading into Thursday’s game with the Bluffton Tigers, Head Coach Brian Childs was looking for his team to play better basketball on the defensive end of the floor. Childs got his wish, as the Eastbrook Panthers’ defense clamped down after halftime in a 70-62 victory.

“I thought we guarded better in the second half,” Childs said. “I don’t know what it is, but we got off to a slow start again. [Bluffton] shot 70 percent in the first half, so we challenged and said ‘look, you have to take a little pride in the defensive end and try to stop your guy.’ [In the second half], we came out and got after them. We were able to rebound, get out and run, and let our athletes run the floor. We made shots, and we attacked the basket well.”

Last year’s second leading scorer, Johnathon Irwin, made his return to Eastbrook as a member of the Tigers, while Rick Harness officially handed the scoring record to Ryan Mansbarger in a ceremony before tipoff.

Childs believed that these two separate factors played a part in Eastbrook’s slow start.

“In the first half, we kind of sputtered,” Childs said. “I think Ryan [Mansbarger] was the little tight coming off that little ceremony, and we had Johnathon Irwin coming back to Eastbrook playing for Bluffton, so we just got off to kind of a sluggish start.

“But we found it in the second half.”

Heading into next week, Childs is looking for the Panthers to continue to improve on defense.

“Offensively, we haven’t had a problem scoring this year,” Childs said. “In the last two years we couldn’t put the ball in the basket. Now this year, things are coming a little easier offensively, but we haven’t been able to stop anyone. So, it’s all about the defensive end. We just have to pick up where we left off tonight in practice heading into Tuesday’s game against Northfield.”

Four Panthers finished in

double figures in the victory. Mansbarger finished with 24 points to lead Eastbrook, while Brandon Huber scored 15 points. Capone Johnson added 14 points while Bryce Schamber chipped in 10.

Madison-Grant

The Madison-Grant Argylls ended a five-game losing streak on Saturday afternoon, riding a big game from freshman Kaiden Howell in a 72-43 win over the Taylor Titans.

For the first time in several games, the Argylls were locked in on both sides of the ball from the opening tip to the final whistle. Along with that, the Argylls outscored the Titans 29-6 in the third quarter to build a huge advantage.

“Everything just seemed to click tonight on both ends of the floor,” Head Coach Brian Trout said. “It really showed. We got off to a decent start and made a pretty good run in the first quarter, stretched it out in the second quarter, and then in the third quarter just came out and were able to get out in transition. Our defense was forcing some tough shots and getting some rebounds, which also allowed us to get out in transition.

“We just played really well on both ends of the floor tonight.”

Howell played an incredible game for Madison-Grant, finishing with a team-high 31 points on 13-of-20 shooting from the floor. “He kind of got off to a hot start,” Trout said of Howell. “He hit his first two or three shots, and he was really running the floor well in transition, so we were able to get it to him early before [Taylor’s] defense was able to get set up. He got hot, and we just kept getting him the ball. His teammates recognized that he was shooting the ball well, and he was getting open, so they made sure to get the ball to him.”

Now, with a tough matchup with the Southwood Knights coming up, Trout knows his team will have to play at the level they played at against the Taylor to come

away with a win.

“We are going to have to play really well, because Southwood is really good,” Trout said. “So, we are going to have hit shots, and we are going to have to defend. It’s going to be a tough one, but we are capable. If we play like we did today, we will at least have a shot.”

Marion

The Marion Giants won a thriller on Thursday night, as freshman phenom Jalen Blackmon drilled a buzzer-beating three-pointer in overtime to defeat the Muncie Central Bearcats 97-95.

The two teams were engaged in a high-scoring battle from the onset, as the Bearcats took a 51-49 lead at halftime. Marion led by six with 4:25 remaining, but the Bearcats battled back to tie the contest at 84 and force overtime.

Muncie Central’s Damarius Pegues seemed to give the Bearcats a win with a put-back with 10 seconds left, but Blackmon hit the game-winning three off an inbounds play to give the Giants the victory.

With the win, the Giants improved to 13-4 overall and 5-2 in the NCC.

Mississinewa

The Mississinewa Indians’ win streak hit six on Saturday afternoon, as strong defense, combined with excellent ball security, propelled the Indians to a 56-45 win over the Delta Eagles.

“Our defense was solid again,” Head Coach Andrew Evertts said. “Any time we are giving less than 50, we are happy. We address it so much in practice. We put a ton of work in on it, and everybody is doing a lot of defensive drills every day. Our guys just bought into that. They are seeing that they can have success when they are solid defensively. It’s been nice, because we are also starting to figure out some stuff offensively. When you combine those two things, our guys are starting to see that they can be a good bas-

ketball team.”

Going against a team that does not turn the ball over much, the Indians did a great job of holding on to the basketball all game long, which allowed them to get into a groove offensively.

“Our guys did a really good job of taking care of the basketball,” Evertts said. “We finished with 10 turnovers, so it was big for us to be able to win the turnover battle.”

Thabit Gault led the Indians in scoring with 21 points, while Landen Swanner has continued his strong play with 13 points, which included four makes from beyond the arc. Larry Dean played physical defense all game long against Delta’s top player, Josh Bryan, with great success.

The Indians will head to Marion on Tuesday for a big Grant County battle with the Giants. Last year, the two teams combined for 214 points and two overtimes in one of the most thrilling games of last season.

To come away with a victory, Evertts knows that his team must continue to play their style of basketball despite whatever Marion throws at them.

“We have to play at our pace,” Evertts said. “I think we are going to be able to

score a lot again, so we’ll kind of take what they give us. It’s going to be a faster-paced game. It will be tough to slow Marion down, so we are going to have to rely on our defense. They have lot of guys who are explosive offensively, but we just have to play solid defense and limit them to one shot every possession.”

Oak Hill

The Oak Hill Golden Eagles came away with their 14th victory of the season on Thursday night, as they defeated the Eastern Comets, 60-40.

The Golden Eagles got off to an aggressive defensive start in the first quarter, but the Comets found holes in their press, shooting lights out from beyond the arc in the opening eight minutes.

After Head Coach Kevin Renbarger challenged his squad, the boys picked up their play on the defensive end while finding their groove offensively.

“They hit four three-point shots in the first quarter on our press,” Renbarger said. “We talked about getting their groove offensively. “They hit four three-point shots in the first quarter on our press,” Renbarger said. “We talked about getting their groove offensively. “They hit four three-point shots in the first quarter on our press,” Renbarger said. “We talked about getting their groove offensively.

After last week’s game with Madison-Grant, Renbarger was looking for his team to work on limiting their turnovers as well as improve on the defensive end.

Mission accomplished. “We only committed eight turnovers tonight and gave up a banked-in three at the buzzer for their 40-point total,” Renbarger said. “We were markedly better in both areas. If we limited the three-point shots they got [against our press], we would have won by a greater spread than we already did.”

Now, heading into an important conference matchup with Blackford next weekend, Renbarger and the team will be focusing on stopping freshman phenom Luke Brown—if he is healthy—and a potent Bruins’ attack.

“We are planning to give some time off this weekend to replenish the legs, so to speak,” Renbarger said. “Brown is hurt and likely will not play against us. However, we will prepare all week as if he will be in the starting lineup. He is such a dynamic player and has the ball in his hands such a large percentage of the time that we will have to do something to pay particular attention to [not only] him, but also the others on their team capable of making plays.”

Midcourt: Marion’s aggressive captain Erika Purvis

by Ken Hill

February 7, 1992

Erika Purvis is an aggressive basketball player for the Marion Giants.

She learned a lot on how to be aggressive on the court at home when she was younger.

“Rocky, my brother, and some of his friends like the Krabbe brothers (Eric, Mike) would play and they would let me, too,” Erika said. “I was in seventh and eighth grades back then. I had to be aggressive. They were older and rough with me.”

Erika has turned into an excellent all-around player for the Giants. This is her senior season and she’s leading the team in scoring with 12 per game. She’s also the top rebounder at 7.2 per game and the steal leader with 2.6 per contest.

Marion will take a 10-8 record into this week’s sectional, winning seven of its last nine games.

“Erika has stepped her role this year,” Coach Suzanne Crump said.

“She’s more of an offensive

leader. She’s always been aggressive but is staying out of foul trouble more this year. She’s in lot better control. She’s our go-to-girl. She’s been our leader all year. She doesn’t give up and always plays hard. She’s a game player. She gives it everything she has. She’s very competitive and hates to lose. She’s a leader by example on the floor. If the ball isn’t going in the basket for her she’s still out there hustling. She always guards the other team’s top inside player. Erika is quick, has

good hands and jumps well.” Purvis and Danielle Weatherly are the only two seniors on the Giants.

“I was captain last year along with Missy Ewer but everyone looked to Missy,” Purvis said. “Now, people are looking to me and Danielle. We’ve got to set the example.”

Defense seems to be Erika’s favorite over offense.

“I think my defense helps me out more than my offense. I like defense. I concentrate on it. I think it’s neat. Playing defense gets a spark in my body.”

Purvis was a varsity player at an early age. She attended Lakeview Christian her seventh grade year and even though she was very young she started on that school’s varsity. She played against mostly older girls so that helped to prepare her at an early age.

“My mom wanted me to try it (Lakeview). I was on the varsity in the seventh grade. I was on the varsity in the seventh grade. I played with Debbie St. John who was a real good player. I looked up to her. She taught me a lot. I liked it at Lakeview but I went back to McCulloch for the eighth grade.”

Marion will be a heavy favorite to beat Elwood in the first game of the Oak Hill sectional. If the Giants win that would set up a big meet-

ing with Mississinewa in the semi-finals.

“Everyone is looking to Mississinewa but we aren’t taking Elwood lightly. We do have to look ahead a little bit to Mississinewa. They will be tough but I think we will be ready for them. I’m looking forward to it. I like playing county schools. We have got to stay out of foul trouble. We will need to hold down Laura Talbott (6-4 ½ freshman) as much as we can. She’s good and tall but a freshman. We’ve got to keep their other girls from having a career day.”

When been Erika’s best game as a Giant?

“We beat Anderson and it was the last home game for both Danielle and I. I’m glad we beat them. We beat all three of the Anderson schools this year. It was one of my better games. I played pretty good all-around. It wasn’t my career high point game. That was 22 in the first game of the season.”

Erika was Hotline All-County in volleyball, a sport in which she earned four letters like she will in basketball. She made Hotline All-County in basketball last year and appears heading in that direction again.

She was the 1991 Marion homecoming queen. She’s a C plus student and her favorite subject is English.

She works part-time at All-Tan which may explain why she’s so tan, winter or summer. She likes to shop with her mom and to spend time with her friends.

Erika plans to go into nursing. She wants to be a registered nurse. She’s not sure where she’s going to college yet.

# Trojan men split a pair of blowouts; women win twice

## Men's Basketball

For the second straight game, the Taylor Trojans fell into an early first-half hole, but, unlike in Saturday's win over Marian, the Trojans were unable to battle back on Tuesday, as they were defeated by the University of Saint Francis, ranked No. 3 in the NAIA, by a score of 89-58.

The Trojans trailed by as many as 17 points in the first half, but they were able to cut the Cougars' lead to six early in the second half. Taylor drew to within single digits once more at the 14:19 mark, but the Cougars outscored the Trojans 39-16 the rest of the way to secure the victory.

For Taylor, it was their most lopsided loss since a 33-point defeat to Huntington University back on December 2, 2008. The Trojans struggled offensively, shooting just 34.5 percent from the floor, including a paltry 28.6 rate over the final 20 minutes.

Ryan Robinson led the Trojans in scoring with 17 points and three assists, while Vincent Miranda finished with 16 points. Joe Ingersoll added six points and a team-leading seven rebounds in the loss.

The Trojans bounced back in a big way on Saturday afternoon, as Robinson tied a program record with nine made triples and scored a career-high 36 points in a 93-73 victory over the Mount Vernon Nazarene Cougars.

Taylor trailed 42-36 at halftime, and trailed by as many as 13 in the first 20 minutes of action, but Robinson and Mason Degenkolb combined for five points in the first 40 seconds of the second half to draw within one point. Robinson continued to light it up, hitting another three-pointer and two more free throws to give the Trojans a 71-54 advantage. The Trojans eventually bumped the spread up to 23 before closing out the 20-point victory.

Aubrey Wright (#14) goes up for two of her eight points against Mount Vernon Nazarene University in a 90-53 rout by the Trojans.

inson's second triple of the half knotted the game up at 45.

Crowe completed a four-point play to give the Trojans their first lead of the day, and Robinson sank three more treys in an 81-second span to give Taylor a 58-50 lead. Robinson's sixth trifecta of the opening 7:05 seconds pushed the Trojans' lead into double figures.

Robinson continued to light it up, hitting another three-pointer and two more free throws to give the Trojans a 71-54 advantage. The Trojans eventually bumped the spread up to 23 before closing out the 20-point victory.

In the second half, the Trojans outscored the Cougars 57-31 while shooting 15-for-21 from the field in the final 20 minutes.

Robinson and Degenkolb combined for 42 second-half points on 12-of-13

shooting from the field and 10-of-12 from the free throw line. Robinson poured in 28 points on eight-of-eight from beyond the arc, while Degenkolb added 14.

Overall, Robinson finished with 36 points, while Degenkolb scored 27 points in the Trojans' victory. The 63 combined points were the highest combined total in a single game for the second-year backcourt duo.

Jake Heggeland finished with nine points and five rebounds, while Crowe added seven points, six boards, and three assists in the victory.

## Women's Basketball

On Wednesday night, the Taylor Trojans won their third-straight game over the Saint Francis Cougars, as Kendall Bradbury's 22 points and 15 rebounds carried the Purple and Gold to a 66-61 victory.

The Trojans got off to a roaring start, scoring 11 of the game's first 13 points, and led 14-7 with 1:59 left in the stanza. Saint Francis responded with two three-pointers to cut the Trojans lead to 14-13 at the end of 10 minutes of play.

Taylor got off to fast start once again in the second quarter, as they scored the first nine points of the period to take a 10-point lead at the 7:07 mark. Josie Cobb hit a triple, Becca Buchs hit three free throws, and Aubrey Wright ended the run with another trey.

A Lauren James three gave the Trojans a seven-point lead, 29-22, with 1:03 to go in the half, but the Cougars responded with 17 straight points to turn their deficit into a 10-point lead.

Cassidy Wyse, Cobb, and Wright brought to the Trojans to within four points, but the Cougars hit a three-pointer to take a 44-37 lead into the fourth quarter.

Trailing by eight with just five minutes remaining in the contest, the Trojans scored the next 10 points to take a two-point lead with

2:23 left. The Cougars tied the game at 57, but the Trojans pulled away in the final minute, scoring eight of the next 10 points to secure the victory.

The Trojans improved their record to 10-3 in the Crossroads League, their best mark since starting 11-2 in 2000-2001.

Bradbury continued to climb the all-time scoring list, moving into third place with 1,843 career points.

Wright finished with 14 points, while Cobb and Wyse each added 10 points in the Trojans' victory.

On Saturday, the Trojans made six of their first eight shots, including three-of-four from beyond the arc, to take an early 15-4 lead en route to a 90-53 rout of the Mount Vernon Nazarene Cougars at Paul Patterson Court.

The Trojans now have 18 wins on the season, their most since securing 21 wins during the 2012-2013 season. Along with that, they notched their 11th Crossroads League win of the season, their most league wins since 2000-2001.

With the game tied at four, a deuce and back-to-back three-pointers from Wyse, followed by a triple from Abby Buchs, gave the Trojans a 15-4 lead in matter of two minutes.

Mount Vernon closed the gap to nine by the end of the first quarter, but a 15-2 run by the Trojans to open the second quarter gave the Trojans another double-digit lead they would not relinquish.

MVNU never closed the gap to less than 20 the rest of the way as the Trojans secured the 37-point victory.

The Trojans shot 54 percent from the field, while converting 40 percent of their shots from downtown.

Wyse scored a team-high 24 points on nine-of-13 from the floor, while Bradbury finished with 20 points and nine rebounds in the victory.

## Men's Basketball

Evan Maxwell finished with a career-high 34 points, including seven in the second overtime period, to lead IWU to a thrilling 87-82 double overtime victory over the Marian University Knights on Tuesday night.

With 13.1 seconds left in regulation time, Maxwell hit two clutch free throws to send the game into overtime.

The Knights scored the first five points of the extra session and led by six points at the midway point, but Maxwell and Kyle Mangas both connected from beyond the arc in the final 10 seconds to force a second overtime.

Maxwell scored the first three points of the second extra session to give the Wildcats a lead they would not relinquish.

"Evan's play was absolute dominance," Head Coach Greg Tonagel said. "He's getting healthy and in a rhythm. He is a man. He keeps learning and growing."

With the win, the Wildcats improved to 4-0 in overtime games this season and defeated the Knights for the fifth consecutive time.

"I'm proud of our guys for fighting," Tonagel said. "Our backs were against the wall, and we leave this gym with a win as one unit."

Mangas finished with 15

Nicole Ignasiak (#33) calls for the ball in the post during the Wildcats 67-64 win over Huntington.

points, seven rebounds, and four assists, while Grant Smith and Ben Carlson combined for 23 points on nine-of-14 from the field in the victory.

On Saturday afternoon, the Wildcats thoroughly dominated the Huntington Foresters from start to finish, shooting 58 percent from the floor and never trailing in a 100-73 victory.

The Wildcats led by double-digit points the entire second half and led by as many as 29 points.

Canaan Coffey (22),

Maxwell (21), and Mangas (20) each scored 20 or more points in the victory, the first time that IWU has accomplished the feat since 2013.

"We are growing as a team," Tonagel said. "This is the complete opposite from the last time we played Huntington. We played with more focus and heart and togetherness. We are starting to put 40 minutes together."

## Women's Basketball

Carly Lange finished with a career-high 24 points and four blocks on Wednesday

night, but a lopsided first quarter doomed the IWU Wildcats in a 75-56 loss to the Marian University Knights. Marian outscored the Wildcats 19-6 in the first half and never trailed in the contest.

The Knights shot 68 percent in the first half to race out to their big lead, which included 26 points in the paint. Along with that, the Wildcats struggled on the boards, coming down with a season-low 26 rebounds.

Anna Imhoff finished with 15 points and three

rebounds, while Nicole Ignasiak added seven points and Brittany Washington chipped in six in the loss.

On Saturday afternoon, Brittany Washington hit a pair of crucial free throws with three seconds left in the game to lift the Wildcats to a 67-64 victory over the Huntington Foresters.

Leading 15-9 after one quarter of play, the Wildcats embarked on a 12-2 run to take a 10-point lead into halftime.

With 5:22 remaining in the contest, the Foresters used a 10-2 run of their own to cut the Wildcats' lead to five, but IWU did not falter.

"We played with a grit and an urgency tonight," Head Coach Ethan Whaley said. "There were a lot of ups and downs but our toughness was the difference in the game."

With their win on Saturday, the Wildcats now have seven victories by less than five points.

Elaina Ededuwa led IWU in scoring with 16 points on seven-of-nine shooting, while Imhoff finished with 15 points and four assists. Washington added 12 points and two assists in the victory.

## Softball

The IWU Wildcats' softball team began their season with a victory on Friday afternoon, as they rallied from

a two-run deficit to defeat Madonna University 5-3 in the first game of the Roosevelt University Tournament.

Kira Madl gave the Wildcats a 1-0 lead in the third inning with a ground rule double that scored Lauren Buckley, but Madonna scored three runs in the third inning to take a two-run advantage.

The Wildcats tied the game with two runs in the fourth inning, and completed the comeback with two more runs in the sixth inning. All four runs came off of Madonna errors.

"I was so proud of these girls and their fight to come back from being down 3-1," Head Coach Steve Babiniski said. "Our pitching and defense went on lockdown and our speed and timely offense came through. If game one's fight is any indicator of the rest of the season then buckle up for some fun."

Later on Friday, freshman Mckenzeny Ridge recorded her first career shutout, striking out six over seven scoreless innings in a 3-0 win over Cleary University.

Buckley opened the scoring for the Wildcats in the fifth inning with an RBI single, while Alex Springer hit a two-run double later in the frame to provide the only offense that the Wild-

cats needed. Springer finished the game 2-for-4, while Rebecca Schrad went 3-for-3 with a stolen base in the victory. The Wildcats ended the Roosevelt University Tournament with three more victories, as they defeated Judson University, 6-1, Roosevelt University, 5-2, and Aquinas University, 1-0. The Wildcats ended the weekend with a 5-0 record while outscoring their opponents 20-6. In their first game against Judson, the Wildcats got on

the board early, as Kristen Exposito homered to score Springer and give IWU an early 2-0 lead. The Wildcats increased their lead to 4-0 after scoring runs in the third and fourth innings off Judson errors, and tacked on two insurance runs in the seventh inning to secure the victory. Exposito finished 1-for-3 with a home run and two RBI, while Springer went 2-for-3 with a run scored and a walk. Carlie Weaver (1-0) earned the victory for the Wildcats, pitching 3.0 innings of one-run ball while striking out two. Against Roosevelt University in the second game,

the Wildcats scored single runs in the fourth, fifth, and seventh innings, as well as two runs in the sixth inning to secure the victory. Aubrie Eckert finished a perfect 3-for-3 from the plate, scoring a run and recording an RBI, while Buckley went 3-for-4 from the dish with two stolen bases and one run scored. Ridge (2-0) won her second game of the weekend, striking out seven over 5.0 innings. In their final contest against Aquinas, Schrad scored the lone run for the Wildcats in the fifth inning off of a wild pitch. Buckley and Schrad recorded the only two hits for the Wildcats in the victory.

# So you think you want to be a sportscaster?

So you want to be a sportscaster? Young aspiring sports freaks hit me up all the time at games, telling me they would love my job. I've been doing sportscasting in Marion and Grant County for nearly a half century.

Well, maybe they need to job shadow me to see what I've done the last two weeks. From the AFC-NFC Sunday on January 21 to Super Bowl Sunday this past weekend, here is what my broadcasting schedule was like:

During those 15 days, I worked 13 basketball games. If I was paid for by the hour, which I am not, I worked 174 hours for the company. I did 30 sportscasts and two two-hour talk shows.

And, boy, was I on the road again.

During those 15 days I logged 1,600 miles. I traveled to Goshen (twice), Logansport, Ft. Wayne, Indianapolis, Bloomington, Decatur (three times) and Muncie.

If the state of Indiana wants me to do a "Wander Indiana" ad for them, I'm ready.

tourney, all in a four-week run. It didn't get much better during March, 2016, when, in less than 10 days, I broadcast both the IWU men winning five games to clinch the NAIA national title, and the Marion Giants winning both the IHSAA 3A Semi State and state championship in last-second fashion. Complaining? No way. This is what its all about. The best part of the job is that, once hoops are over, there will be lots of warm afternoons to sneak out to my favorite golf courses to get a few swings in. I've done this for 47 years and there's no stopping me now. It's Indiana. It's Hoosier Hysteria. And I love it more every year. Jim Brunner is the voice of sports in Grant County.
