2018 School Corporation Annual Performance Report (APR)

Note for 2019 APR Publication: The Annual Performance Report is based on the best available data at the time of publication. The Indiana Department of Education is aware of several unresolved scoring issues from assessments administered in the 2018 school year. Schools potentially affected by these issues have been notified. When these issues are resolved, the IDOE anticipates very limited impact on published school proficiency rates for the 2018 school year. Should a school grade be impacted in the resolution of the scoring issues, the IDOE will recommend an alteration of the grade to the State Board of Education. The IDOE does not anticipate changes to any school corporation grades. Upon resolution of these scoring issues, the IDOE will review any other measures based school accountability and determine what, if any, changes should be made as a result.

The APR is a report on the performance of schools and school corporations (districts) in your area. The goal is to provide information regarding the progress schools are making to help students become college-and-career ready. Where possible, this report contains three years of data to show trends – not just this year's results. In addition, the State Average is also shown for comparison purposes. There are additional indicators that are available on the Indiana Department of Education's Web site (compass.doe.in.gov), including data broken out by different student subgroups, such as race, gender, income level and special education.

Indiana educators and citizens have developed higher academic standards for all students. These standards are necessary to prepare Indiana students to be successful in life, whether they go directly to higher education or to the workplace. The scores for ISTEP+ are listed under each school to reflect student progress toward those standards. For high schools, you also will see graduation rates and the percentage of graduates who plan to go on to college. Other important data are provided, such as average attendance rates and indicators of school safety, including expulsions and suspensions. Also included is information about your school corporation, such as how much is spent, on average, for each student; how much teachers are paid; and the percentage of corporation students who are in special education classes or gifted and talented classes.

Definitions (in the order found on the report)
Corporation Level & General School Data
A-F Accountability Grade—Grade calculated by the IDOE per 511 IAC 6.2-6 and officially assigned by the State Board of Education. For 2014-15, Schools and Corporations were assigned the better of their 2013-14 grade or the 2014-15 calculated grade. For 2015-16 and later, Schools and Corporations were assigned grades using the New Student Centered Accountability Model.
Student Enrollment—Number of students enrolled on October 1 of the school year. Note: Counts for Membership purposes are taken on a different day and may differ.
Non-Waiver Grad Rate—For 2017-18, the percentage of students who entered Grade 9 in Fall 2014 and graduated in four years or less without a waiver
College and Career Readiness Rate—The percentage of 2017 four year graduates who passed an Advanced Placement test, passed an International Baccalaureate test, received 3 hours of Dual Credit, or received an Industry Certification. **Note: These data are not available for the 2018 cohort at time of publication.**
Career and Technical Diplomas—Core 40 with Technical Honors Diplomas
Certified Teachers—Teachers certified to teach as reported by School Corporation (includes guidance counselors and other non-Administrator staff)
Teacher Salary Range—Salary range is calculated by reviewing the salaries for teachers as provided by the School Corporation. Teachers must be reported at 100% for 180-195 days
Students in Special Education—Students (including non-public Students) who are receiving special education services
Students in Gifted and Talented Education—Percentage of students enrolled in gifted and talented education programs as defined locally
Percent of Instruction Delivered Through Career and Technical Education—Percentage of total instructional hours delivered through vocational education classes
Students Receiving Free or Reduced Price Lunches—Students who receive free or reduced price lunches due to family income level
Limited English Proficiency Students—Students whose inability to communicate English prevents them from participating fully in a standard educational program
Foster Card Students—Students who are foster care students
Alternative Education—Students enrolled and receiving instruction for at least 10 days in an approved alternative education program
Intra District Mobility—Percentage of students who moved from one school to another in the same school corporation
Inter District Mobility—Percentage of student who moved from one school to another in a different school corporation
Pupil Enrollment to Certified Employee Ratio—Number of Students per Certified Employees as reported by the School Corporation
Attendance Rate—Average attendance rate for students

High School Data
Career and Technical Programs—Programs administered through the Department of Workforce Development that often result in an Industry Certification
ECA Math Standard—End of Course Assessment Math Standard – Algebra I (Passage is Required for Graduation) Pass rates are for first time test takers
ECA English Language Arts Standard—End of Course Assessment 10th Grade English (Passage is Required for Graduation)
IREAD—Exam given to all students in grade 3 to test reading proficiency. Students must pass the exam to advance to grade 4
