Grant County Economic GROWTH Council, Chamber to reach out on social media

The Grant County Economic Growth Council, the Gas City Area Chamber of Commerce, and the Marion-Grant County Chamber of Commerce partnered

to create a Facebook page for Grant County businesses to communicate with the community throughout the remainder of the COVID-19 pandemic.

The page is called "Grant County Local Business Support During COVID-19," and businesses throughout Grant County are encouraged to use it to communicate information such as hours of operation, online ordering, take-out delivery options,

and much more. Grant County residents are also encouraged to use the page to find information on local shopping options and ways to support their favorite businesses during this crisis.

"It is important to have a platform for Grant County's local businesses to share information with the public," Mama Pearson's Soaporium co-owner Pat Pearson said. "We all need each other to sustain the business community during this uncertain time, so I encourage residents and businesses to observe the page and support their community businesses."

munity businesses."

The page will remain largely unfiltered, but any post that has nothing to do

with Grant County businesses will be removed by page moderators.

Furthermore, the page will feature a bi-weekly post called the "COVID-19 Business Spotlight," which will focus on how a particular business in Grant County and how it has operated throughout the COVID-19 pandemic. The inventory of all "COVID-19 Business Spotlights" will be hosted at:

www.grantcounty.com/covid-19.

Yard waste pick up to begin while following COVID guidelines

Beginning on Thursday, April 23, the City of Marion announced that they will begin picking up yard waste while continuing to follow COVID-19 protocols.

All city employees will be working solo in accordance with current guidelines, and the City of Marion urges citizens to make sure the yard waste put curbside is done in a way that one person can load it into

their trucks.

Also, the city asks all residents to keep their distance if they interact with a city employee. All employees will be wearing masks when outside their vehicles

If you need to schedule a pickup, please call 765-668-4496.
