

Marion airport receives grant

As part of the Coronavirus Aid, Relief, and Economic Security, or CARES Act recently signed by President Donald Trump, Indiana State Senator Todd Young announced on Wednesday, April 15 that nearly \$97 millions would be allocated to 65 Indiana airports, including Marion Municipal, affected by the prevention of, preparation for, and response to the COVID-19 pandemic.

Being a smaller, more regional airport, Marion Municipal will be receiving \$69,000 from the federal government.

Under the CARES Airport program, primary commercial service airports will receive funds based on the number of passengers that board aircraft there, the amount of debt the airport has, and the amount of money the airport has in reserve.

Additionally, primary commercial service airports – ones that have 10,000 or more annual passenger boardings – will receive funds based on that number.
