## Upland

ing. At our South Marion location, there will be radiological services available.” While this change may take some adjusting to, Evans hopes that those who frequented Upland will continue to use Marion General Hospital as their primary healthcare provider in the future. “Part of our communication was to remind our community members of access to other points of interest in the Marion General Hospital healthcare system,” Evans said. “We are

happy to be able to continue to be their healthcare provider of choice and provide these services to them.” No employees at the Upland location will be terminated, according to Evans, instead being offered positions at other MGH locations. **Locations available for outpatient diagnostic laboratory services will include:** **MGH Diagnostics – Gas City** 4781 S.
