

Soccer — continued from Page 7

I'm glad we were able to come out on top."

However, in what would be their final match of the season, Oak Hill, despite a valiant effort, scored too little too late against the Cavaliers. Canterbury dominated the first half, controlling most of the possession and scored with 16 minutes remaining to grab an advantage they would not relinquish.

The Cavalier added to their lead late in the second stanza, and while Macy cut Canterbury's lead in half with a penalty kick with 2:32 remaining, Oak Hill could not find the equalizer, bringing a tremendous season to a close.

While Garverick and the

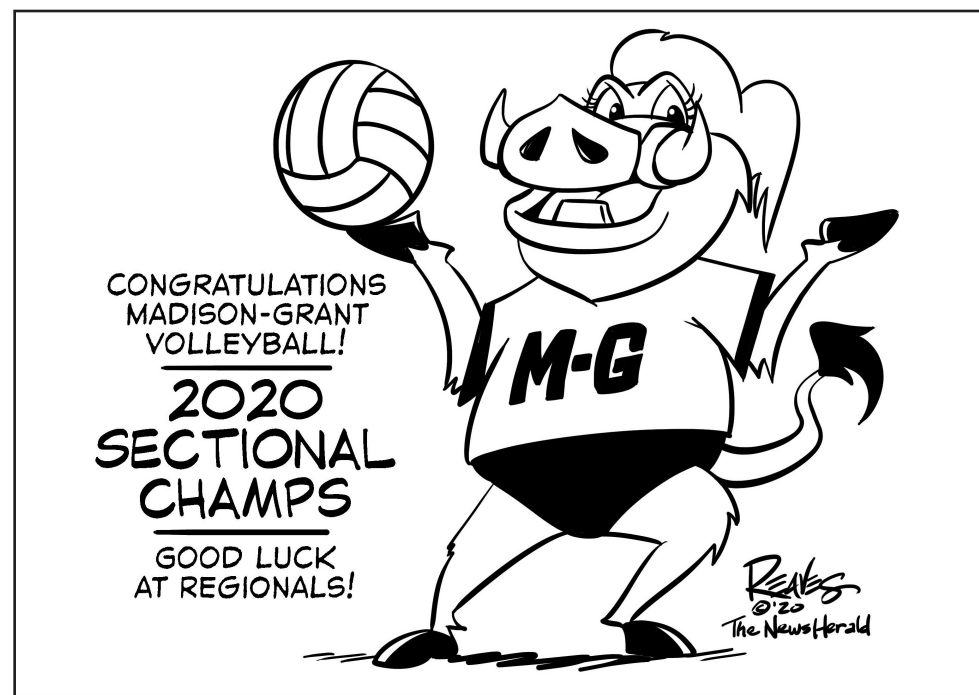

Golden Eagles were most certainly looking to go further in the tournament, their success in the 2020 campaign cannot be overstated. Their 17 wins after the best in program history, and they came away with their first sectional championship in four years.

"It's definitely a special group of kids and a special group of players," Garverick said. "We had an incredible season. 17 wins, and a sectional championship on top of that, but they were not satisfied. That just speaks volumes to their approach over the course of this season. I couldn't be prouder of the effort they put in today, but really over the course of the whole sea-

son."

In their high school careers, Macy, Sevier, Leach, Pedro Perez, and Kasey Smith helped lead the Golden Eagles to an incredible 43 wins, including 30 in the past two years. This group not only took Oak Hill boys soccer to new heights, but also set the tone and foundation for those who come after them.

"It was an absolute honor to be able to coach these seniors, especially," Garverick said. "Being able to see them grow and mature is really the biggest blessing as a coach. Obviously, you play to win, but really, the main reason why I do it is to help and encourage kids to become better men. I

think that is absolutely the case with this group. The growth that they showed and the maturity that they showed is really phenomenal. I love them so much, and I couldn't be prouder." Oak Hill ends the season with a 17-2-1 record.

Panthers — continued from Page 6

Panthers celebrate clinching the outright CIC championship after their triumph over Madison-Grant. Photo by Sean Douglas

run by Devin Stupples and a six-yard rush by Logan Roush – to secure the CIC championship.

Engle finished four-for-five for 97 yards and two touchdowns, while Miller led the Eastbrook ground game with 88 yards and two touchdowns on eight carries. As a team, the Panthers ran for 303 yards on just 37 totes.

Eastbrook will begin sectional play at home against Blackford this coming Friday night. Madison-Grant will have a first-week bye before facing either Tri-Central or Wes-Del on October 30.

"Our schedule prepares us for the sectional,"

Turner said. "We played a 4A team in Mississinewa, a 3A team in Oak Hill, and then Eastbrook. It just prepares us for the 1A

team we will see in our sectional. Hopefully, that has built our confidence up and given us what we need to move forward."
