Johnson touted many individuals who have helped the event grow. “It’s really about the people,” Johnson said. “This wonderful and giving community works together to promote Marion & Grant County for a good cause.”

Over the years, the historical event has helped four local organizations in total: MHS Band Boosters, Cancer Services of Grant County, Gilead Ministries, and currently partners with the Grant County Rescue Mission—all through the popular pancake breakfast. Each year, the partnering organization coor-

dinates approximately 100 volunteers, and earns 100% of the proceeds. Roughly 3,000 pancake meals are produced for hungry patrons during the large late-summer festivity.

Another parallel annual event occurs in Oshkosh, Wisconsin. Johnson, for about ten years, has been active in coordinating and promoting AirVenture Oshkosh. He holds a seat on the Board of Directors of the Vintage

SUDOKU

Fun By The Numbers

Like puzzles? Then you’ll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here’s How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
