I have been extremely good. I don't want to work you to death with what I want for Christmas. I was wondering if I can have 20 presents instead of 19. I want 1 extra present because my family can't come over and spend time with us because COVID-19. It is okay though I know that we have to do this for safety. I hope you don't catch

COVID if you need a mask you can go inside my mom's drawer and get one. My mom won't catch you unless she's working late on a assignment in her room. Santa I know you work hard every year to make Christmas one of the best holidays [aka days] every year and I thank you for that. Stay safe from COVID Clause family.
