Letters from Mrs. Cooper’s and Mrs. Wilson’s Fourth Grade Classes at Allen Elementary

Dear Santa,
I’m so excited for you to come to my house. The elf you sent to us is fun. Yesterday he hid in our blinds! He wrote on our bathroom mirror one day. It said, “Wash your hands.” He even wrote on my sister’s toy. This one said, “Polar Express.” We will put some cookies and milk out for you on Christmas Eve.

The reason I’m writing this letter is because I want to tell you what I want for Christmas. I want the Fortnite Nintendo Switch please and thank you so much if you get it for me, that is. One reason why I should get the Nintendo Switch is because I have been a good girl. The second reason is because I will get a free skin that is like a Fortnite character pack. I play it on my Xbox now, but it would be cool to play it on a Nintendo Switch. Some people might think I don’t need it, but it would be so fun to play and you would make me such a happy girl. When we go somewhere, I wouldn’t have to pack my whole Xbox because the Nintendo Switch is so small. The years that you have visited us have been so fun because of all the presents. I like watching the girls race out of bed, and then we all go wake up Mom and Dad. It is so fun. Can’t wait until you come again this year. Love, Makenly

Dear Santa,
I am so excited about Christmas. Santa I hope you are

ready for Christmas. So how are you and Mrs.Claus doing? Hope it is going well in the North Pole for you guys. The only reason I am writing this is to let you know what I want for Christmas. I really want a laptop for Christmas. I have been so good this year and I helped a lot of people. Some people think I should not get a laptop because I accidentally threw my phone at the wall when I was playing a game so fast that it slipped out of my hands. However, I would be responsible with a laptop. I have been a really good boy this year. I promise. You have been working so hard this year, you should have a break after Christmas. I hope you get done this year with delivering presents and then relax. I wish you a Merry Christmas to you and Mrs. Claus. From, Jeziah

Dear Santa,
I am very excited for Christmas. I might explode. It is my favorite time of the year. I love the decorations and people and you the most. The reason I am writing to you is to let you know what I want for Christmas. I really want an iPhone 12 Pro Max. I want them because I need a small phone for my small hands, and it looks cool. I know some people say that I don’t need it, because it’s too expensive but it is so cool. I promise I will take good care of it unlike my other phone. I know I haven’t been good to my brother, but I will be better. For Christmas break I am going to play games with my friends and family. It will be awesome. Just please get me the iPhone 12 Pro Max. From, Maxwell

Dear Santa,
I am ready to meet you, Santa. I have been a little bad this year, but when I see you I’m going to be good for a long time. How are you elves

doing? And how about your reindeer? Is it cold in the North Pole? I would come see you there, but I think it’s too cold for me. I have been waiting for a Playstation 5 because it looks so fun, and I can share it with my family. If you get it for me, I will have fun playing it. Some people may say I don’t need the PS5 because it’s too expensive and it’s too big, but it’s not really that big and it’s worth paying so much because of all the graphics and the HDR. Santa, I sure can’t wait to meet you! When you come, don’t forget about the PS5. Your friend, KaTollie

Dear Santa,
I am so excited for Christmas. I can’t wait for Christmas. We have a lot of Christmas trees. I have one in my room and in the guest room. Santa is the North Pole doing well. The reason I am writing you this letter is to let you know what I want for Christmas. I really want a Nintendo Switch but some people said I should not get a Nintendo switch. Here are some reasons why I should get a Nintendo Switch. First, when my phone dies, I won’t be annoying. And another reason when we are on a road trip, I can be on my Nintendo. How are you elves doing? How is Mrs Claus doing? All right? How is your reindeers? On Christmas Eve we will put milk cookies out for you. Your friend, Javian

Dear Santa,
Hi Santa. I know I have been bad to my big sister some, but I have changed. Now I am being nice to her. My grandma has needed help, so my siblings and I have helped her clean out her closets. I hope I get a lot of presents this year. The reason I am writing to you is I want a VR Headset. I want it because I don’t want to be

made fun of. I love videos on VR headsets.I know people think I don’t need it, but it looks so fun. I think it would be a lot of fun and I would love to play it. I would share it with my family. So Santa, I can’t wait for you to come to my house. When you come to my house, don’t forget about the VR.headset. You’re friend, Sebastian

Dear Santa,
I am so happy that it is going to be Christmas. Santa, how is Mrs. Claus doing? If she says she’s doing good, then I am doing the same. I hope you are doing the same Santa. I hope y’all are doing great. I hope you are having a great day over there at the North Pole. Oh and Santa I have had a great day here in Marion. I was nice to people today. I’ve had sad days too, but I don’t want to talk about it. I know that it’s only 9 days until Christmas, but I just want to tell you my Christmas list right now. Santa, I want a laptop. I know that my parents think I can’t get one, but please, please, oh please give me one. If you do Santa, I would really like it and put stickers on it. I want a laptop from you because my granny is going to let us go shopping with her and she might get me other things. I really, really want a laptop. Thanks Santa for bringing our Elf on the Shelf named Buddy. I really appreciate that. Like really! Thank you so much Santa. Love, Tayanna

Dear Santa,
I am so excited this year for Christmas. I am so excited to open a lot of gifts. And it is Jesus’ birthday. On the day that I am writing this letter, there are 17 days till Christmas. I hope I get a lot of presents this year. I learn a lot at school because I am so good and listen to my teacher. I am so smart and I love learning. I also like typing, like what I am doing now. The reason I am writing to you is to tell you what I want for Christmas. I would love to have a Macbook. I have been so great this year. Can you please try to get this computer for me? I appreciate how much you do for us. Are you wondering what I can do with a Macbook? I can do work on it. I can download stuff to teach me

stuff.
How is Mrs . Claus? Is she doing good? I wonder how your reindeer are? Is it going to be snowy or is Rudolph going to be in front? How are your elves doing? Are they doing a lot of work for the little kids and making them gifts? Also I was wondering how you are doing? Are you doing good with all of them: the reindeer, Mrs. Claus and the elves? I hope you get them through the storm. Your friend, DaMya

Dear Santa,
How have you been for a while now? I am so excited for this year. I hope you get my letter. I will bake lots of cookies and milk. I have been good this year. And I hope I get good Christmas presents. But this is my Christmas list. I really want a hoverboard to ride on. I also want some LED lights for my new room. A pack of socks won’t hurt either. I want an art set so I can color. Can I get a moon lamp as well? I didn’t want a lot this year but I hope you get my letter. This is my Christmas list this year. And I hope you eat all the cookies and the milk. I hope you leave a letter for me to read. Thanks for my gifts. I hope you have a great year, and don’t forget my list. Your friend, K’Majai

Dear Santa,
I am so excited for Christmas this year. I can’t wait for you to come to my house. I have four little trees waiting for you, Santa. I can’t wait for you to come to my home. I wish I could see you in person and there are 17 days left until Christmas when I’m writing this. The reason I am writing this letter to you is because I really want to get this new VR headset because I used to have one. My brother broke my VR for no reason and I haven’t had it for a long time. People say you cannot have a VR. I really want the new VR because everything looks so real and you can grab stuff and you have these controls that are the size of your hands. It has good graphics in the game, and I will share it with my family. Don’t forget the VR, Santa, because I was a good boy. Santa, I have been good this year and I will leave you a bunch of cookies for you
