

Youngsters tell Santa their wish lists

the reindeer. Santa, make sure Santa. I wish I could meet all the reindeer. Santa, make sure you bring Rudolph as the leader. I hope you like the treats I made for you, Santa. Merry Christmas! I will have treats for your reindeer. I hope you come on Christmas Eve. How is mrs.Claus, by the way? And I was nice to people in Marion today. Can I ask you a question, Santa? How cold is it in the North Pole?
After Christmas you should take a break Santa.
How old are the reindeer’s Santa Claus. Your friend, Oscar

Dear Santa,
I am excited for Christmas because it is so fun because we can make snowmen and have a snowball fight, and we can go sledding down the hill. I only have a big Christmas tree and my stepsister has a small gold Christmas tree with a big yellow star on top. My tree has a lot of ornaments, but the gold tree does not have a lot of ornaments. The reason I am writing this is to tell you about what I want for Christmas this year. I want a PS5, but my mom says I don’t need one because she is not getting one. They are too expensive. If you are wondering what I am going to do with a PS5 is play GTA and Fortnite. I will also play Just Cause 3 and Call of Duty. I can’t wait for Christmas because there’s only three presents under the tree and it’s my favorite holiday out of all the holidays. I can’t wait! I’m so excited! It’s not a long time till Christmas, I love the snow because we can go sledding and have snowball fights and everything is just so fun! Christmas is the best day of my life. Your friend, Jesse

Dear Santa,
I am so excited for Christmas. How are you doing in the North Pole? It sounds like it is very cold there. I am excited for you to come to my house and give me some presents. I hope you give me some really cool ones. We are going to make you some milk and cookies. I hope you will like the tasty treats.
The reason I am writing this letter to you is because I wanted to tell you what I wanted for Christmas this year. I really want a Macbook laptop or any kind of laptop. But I know some reasons why I might not get a laptop. Laptops sometimes are very expensive, but I know I would take good care of it. If I get a laptop, I

know I might not be able to get as many presents as I usually do, but I would be okay with less presents if I got a laptop. A laptop is something that I have been wanting for a long time. I have been pretty good this year. For my Christmas break I am going to spend time with my family and celebrate Christmas. So Santa, I really want a laptop this year for Christmas. I hope you get me one this year. I hope you enjoyed reading my letter and maybe I will see you on Christmas Eve. Sincerely, Halo

Dear Santa,
I can’t wait until you come to my house. We don’t have a fireplace so you are going to have to come in the door. We are going to bake such delicious cookies for you. I already decorated my stocking and it is

so beautiful and pink. Do you ever wonder what it was like to open presents on Christmas morning? The reason I’m writing to you is so you know what I want for Christmas. The thing I’m about to say might be a little expensive. The thing I want is an iPad. It would be useful to have an iPad because I have a phone but it is very small

and It doesn’t have much storage. I also want different things on each device so I can have a lot of games and apps.I probably shouldn’t have it because it’s too expensive and I already have a phone and an Ipad that I take home every Friday. Another device isn’t necessary anyway, but I would still love to have one. Do you think that you could get me an Ipad? I would really like it and appreciate it very much if you did. Just don’t

drop my Ipad off your sleigh! I want it all in one piece. Merry Christmas, Santa. Your friend, Aleah

Dear Santa,
I am so excited for Christmas. I am so excited to open gifts and it is Jesus’ birthday. The day that I am writing this letter, there are 11 days until Christmas. I like learning in school but I fall asleep when my teacher is teaching. I’m also smart! My teacher teaches us a lot. I like presents because there is cool stuff in them. The reason I am writing this is to tell you what I want for Christmas. I have been so great this year. This year what I want for Christmas is a hairless kitten because they are very cute. I love cats. When they have more kittens, they are actually cute. How is Miss. Clause? Has she been helping you with the present this year? How is your reindeer? Rudolph is going to be in the front because it is going to be so snowy. How are your elves? They are doing a lot and making a lot of toys for little kids. Your friend, Cheyenne

Dear Santa,
Am so excited about this Christmas for this year. I am happy for Christmas this year. I think we will decorate the house and the tree. I think we will get all the presents we want. Thank you for all the presents over the years.

This year I went to the PlayStation 5. I need it because my friends are getting it. People say it is too much money, but I think it is worth the money. My brother is going to get it, so I want to play with him on it. He lives with his dad and I live with my Nana. It would be able for us to play together. I have been so good this year, so I hope you can get it for me. I want the PS5 so much. I will do anything for it. I have been helping my sister with her Friday work so much. Thank you for being Santa Claus. Your friend, Coltin

Dear Santa,
I have been really good this year. I helped my mom clean my house and I have helped

my siblings. Also how have you been this year? There is probably going to be a lot more gifts to deliver. How is the North pole? I think I already know it is probably going crazy because you have to make a lot of toys. The reason that I am writing this letter to you is I really want to be with my dad. I don’t get to see him a lot so it would mean a lot to me. I always have Christmas at my mom’s house, so I would like to have one at my dad’s. I want to see my other brothers too, but mostly my dad. I love my mom a lot though. I hope this does not hurt your feelings, mom.
As you can see I really hope to see my dad on Christmas. I am

hoping you have a great Christmas. Please try to stay away from Covid 19. Tell your reindeer to fly safe. Now that I have told you what I want for Christmas, I hope I get my wish. Have a good time flying through the sky.

Dear Santa,
I am so excited about Christmas this year. Have you been going down your naughty list? I hope you are doing good all year around. We do not have a Christmas tree at our house but, we will still be expecting you to come to our house on Christmas Eve. I am writing to ask for a new iPhone for Christmas. I want a new iPhone because I never had an iPhone in my entire life, I can do my homework on the iPhone instead of using my iPhone. It is a really high tech phone. Some may say an Iphone is too expensive. I’ll be able to take the coolest picture and I won’t have to worry about slow speeds uploading pictures. I have been a good girl for the most part with some imperfections here and there, but I am still a good girl. I am so excited about Christmas and you comin Christmas. I plan to spend time with my family, open presents and clean my room. I can’t wait to see you on Christmas Eve with my new iPhone. Sincerely, Gisele
